Nr. 5078 / 22.08.2017

## **PRESS RELEASE**

We inform you that SIF OLTENIA SA has complied with the requirements stipulated by the legislation adopted at the European Union level by obtaining the LEI code (Legal Entity Identifier):

254900VTOOM8GL8TVH59

The LEI code is a unique number assigned to the legal entities participating on the financial markets, used including for the identification of the legal entities issuing financial instruments. This code is assigned according to the standard ISO 17442:2012. The LEI code enables the harmonisation of the information as well as identification of the entities involved in the financial markets at global level, helping to increase the confidence of the market actors.

The LEI code will be featured in all information delivered by SIF OLTENIA SA.
