...

#### **e) OTHER EVENTS**

Pursuant to art. 234 para. 1 lit. m from the A.S.F. Regulation no. 5/2018 regarding issuers of financial instruments and market operations, shareholders and investors are informed about the following measures:

Stopping the production of benzoic acid until June 30, 2024;

In order to keep costs under control, the already announced actions will be continued and activities will continue to be carried out with a minimum number of personnel for the needs of maintaining the safety of the entire industrial platform.

We reiterate that the measures are taken considering the persistence of the extremely unfavorable economic context for the European chemical industry, characterized by low orders and high costs for raw materials and energy.
