Profit Warning for final results 2015

Agros Development “Proodos” Public Company Ltd announces that the negative picture in the results for the first half 2015 has been reversed.

The final results for the year ending December 31, 2015 are expected to be better than those of the first half of the year as well as that than 2014. The improvement in the second half is attributable to the traditionally increased tourist arrivals during summer period.
