DOMÉ: INTERIM MANAGEMENT STATEMENT

The Board of Directors of Dome Investments Public Company Ltd presents the Interim Management Statement for the period from 1 January 2013 to 16 May 2013, which has been prepared pursuant to the provisions of Article 11 of the Transparency Requirements Law 2007 & 2009 (N.190 (I) 2007).

Main activities

The Company's activities, which have not changed since last year, focus on the hotel business in Cyprus.

General description

The results for the first quarter are affected by the seasonality of the Tourism Industry in Cyprus and, therefore, they have the lowest performance from all four quarters.

During the period, the Company's revenues recorded a slight increase compared to the corresponding results of 2012 since the Company's hotel in 2013 opened on 28 April 2013 whilst last year it opened on the 9 May 2012.

The results showed unrealized exchange gain compared to unrealized exchange loss in the corresponding period of 2012. The gain in 2013 was attributable to the strengthening of the exchange rate of the euro against the Swiss franc.

Significant events and transactions

There were no other significant events affecting the Company's activities during the period.

Main risks and uncertainties

The main risks and uncertainties that the Company faces are the same as those described in the Annual Report 2012.
