

# DOME INVESTMENTS PUBLIC COMPANY LTD

## ANNOUNCEMENT

Cyprus Stock Exchange  
Nicosia

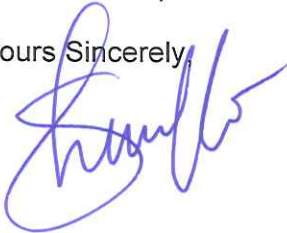

28 June 2013

**Subject: Profit warning for the first half of 2013**

Pursuant to the CSE and CySEC Regulations and in order to fully inform the shareholders and the investing public in general, we wish to inform you that the results for the six months ending 30 June 2013 are expected to be better than those of the corresponding period of 2012.

This is mostly attributable to the unrealized foreign exchange profit at the end of the first half of 2013 compared to unrealized foreign exchange loss in the corresponding period last year. Also the revenue from the hotel is higher. This is due to the fact that the hotel restarted its operations on the 28 April 2013 compared to last year when it restarted its operations on 9 May 2012.

Yours Sincerely,

Demetris Shiouftas  
Group Finance Director
