

ANNOUNCEMENT

As part of its efforts to provide investors with accurate information, Interfund Investments Plc wishes to announce that to date, the ongoing war in Ukraine has not had a direct impact on its operations.

We would also like to inform you that Interfund Investments Plc does not carry out any activities and does not hold investments in the countries involved in the armed conflict.

In any event, it should be noted that the consequences of the war indirectly affect significant sectors of the European economy, in which Interfund Investments Plc has invested.

This results in an indirect impact, as expressed in the significant nervousness on the markets and the fluctuations in the main indices.

The Board of Directors of Interfund Investments Plc is monitoring the situation and is ready to take measures as necessary.

Investors will be informed of any further developments with subsequent announcements.
