

Nikos Kalogiannis - CEO

Mr. Nikos Kalogiannis is a member of Technical Chamber of Greece since 2003. He holds a Diploma in Aircraft Mechanical Engineering from the National Technical University of Athens (Greece) and an MSc in Industrial and Systems Engineering from Georgia Institute of Technology in Atlanta (USA). For his postgraduate studies he was awarded two fellowships from E. Eugenides and A. Onassis foundations.

After completing his military obligations in 2005, he joined Alenia Aeronautica (Italy) as Project Engineer. In 2006 he joined the Program Management team of the C-130J as Assistant Program Manager. In 2008, he moved to Alenia Aermacchi (Italy) working initially as Program Manager for the Industrial Collaboration Projects and Offsets and in 2009 he became the M-346 Aircraft Development Program Manager.

In 2017, he joined Interoperability Systems International Hellas S.A. (SCYTALYS) as a Program Manager. In 2019, he was assigned the role of International Business Development and Marketing Manager. He joined EFA Ventures in 2020 as CEO. His field of expertise includes the management of complex and multimillion-budget Aircraft related projects and the development and integration of Mission and Pilot training Systems. He speaks English and Italian fluently.
