Alfa Laval's Capital Markets Day, November 20

The event will start at **Hilton Copenhagen Airport**, Denmark. The afternoon session will take place at Alfa Laval's site in Söborg, just outside of Copenhagen.

We will start at Hilton at **10:30 a.m. CET** and end in Söborg at approximately **4:30 p.m. CET**, after which there will be transportation available, either back to the airport, or to the restaurant where we will hold our dinner. For those who stay for the dinner, buses will depart for Kastrup Airport at **7:45 p.m.** The trip to the airport takes approximately 45 minutes.

The morning session will include presentations by **Lars Renström**, President and CEO, and **Thomas Thuresson**, CFO. Further presentations will be given by our three different divisional heads. In Söborg, the afternoon session will include **seminars**, running simultaneously, covering topics such as our key technologies as well as interesting applications. We will send out more information about these seminars in a confirmation note to those who register. Following the seminars there will be a guided tour in the factory. The day will end with a Q&A session.

Looking forward to seeing you in Copenhagen!

Lars Renström
