

Kerstin Konradsson to leave Alleima Board of Directors

In conjunction with her appointment as CEO for Erasteel, Kerstin Konradsson has informed the Chairman of the Alleima Board of Directors of her decision to resign from the Board of Directors, effective immediately.

“I want to thank Kerstin Konradsson for her excellent contributions to the Board of Directors. The Board is grateful for her valuable work during the company’s first year as a listed entity. I wish her all the best for the future”, says Andreas Nordbrandt, Chairman of the Alleima Board of Directors.

About Alleima

Alleima AB, is a global manufacturer of high value-added products in advanced stainless steels and special alloys as well as solutions for industrial heating. Based on long-term customer partnerships and leading materials technology, we develop products for the most demanding applications and industries. Our offering includes products like seamless steel tubes for the energy, chemical and aerospace industries, precision strip steel for white goods compressors, air conditioners and knife applications, based on more than 900 active alloy recipes. It also includes ultra-fine wires for medical and micro-electronic devices, industrial electric heating technology and coated strip steel for fuel cell technology for cars, trucks, and hydrogen production. Our fully integrated value chain, from R&D to end-product, ensures industry-leading technology, quality, sustainability, and circularity. Alleima, with headquarter in Sandviken, Sweden and revenues of SEK 18.4 billion in 2022, has approximately 5,900 employees and customers in approximately 90 countries. Alleima was listed on Nasdaq Stockholm on August 31, 2022 under the ticker ‘ALLEI’. Learn more at www.alleima.com
