

Nico Delvaux, President of the Compressor Technique business area, will leave Atlas Copco

Stockholm, Sweden, May 2, 2017: Atlas Copco, a leading provider of sustainable productivity solutions, informs that Nico Delvaux, President of the Compressor Technique business area, has decided to take on a position outside Atlas Copco. His last day with Atlas Copco will be latest November 1, 2017.

“Nico is an appreciated Atlas Copco leader who has developed Compressor Technique into a strong, customer-focused business with high profitability,” said Mats Rahmström, President and CEO of the Atlas Copco Group. *“We are grateful for his contributions over the years and wish him success in his new position.”*

Nico Delvaux joined Atlas Copco in 1991. He has held management positions in several markets including Benelux, Italy, Canada and the United States. Nico Delvaux was President of the Service division within Compressor Technique before he became Business Area President for Construction Technique in 2011. He holds his current position since 2014.

The recruitment of Nico Delvaux’s successor will start immediately.
