

# Johnny Engman steps down as CFO of Byggfakta Group

**Johnny Engman has announced his intent to step down from his role as CFO of Byggfakta Group. During his notice period, which extends through to 31 January 2024, he will remain with the company in his current role. The process of appointing a new Chief Financial Officer is now being started.**

"I would like to thank Johnny for his very valuable contribution during a key period of the company's history. During Johnny's time with Byggfakta Group, the company has developed from a privately owned Nordic company into a listed global company – a transformation in which Johnny has played a key role. I would like to take this opportunity to wish Johnny every success in his future endeavours," says Dario Aganovic, CEO Byggfakta Group.

## About Byggfakta Group

Byggfakta Group, headquartered in Ljusdal, Sweden, with origins dating back to 1936, is a leading digital platform providing solutions connecting construction value-chain participants, maximising sales and improving efficiency for its customers. The Company's core offering lies across four product segments, targeting different stakeholders in the construction value chain, namely (i) Project Information – a business intelligence sales lead platform; (ii) Specification – specification software digitalising the specification writing process; (iii) Product Information – an online platform that allows suppliers to showcase their products online, and provides buyers with a comprehensive catalogue of curated construction products; and (iv) e-Tendering - eSourcing and eProcurement software.
