Linn Andersson new member of Boliden's Group Management

Linn Andersson has been appointed EVP Strategy and CTO. The role, which is new to Boliden's Group Management, includes overall responsibility for strategy, business- and technology development as well as procurement.

- Linn Andersson has solid experience of our operations combined with very good leadership skills. She will thereby add further valuable expertise to the Group Management and contribute to strengthening the conditions for Boliden's long-term value creation, says Mikael Staffas, President and CEO of Boliden.

Linn Andersson has an engineering degree in Chemistry from Umeå University and an MBA from Edinburgh Business School. During her career, she has primarily held several leading roles within Boliden Rönnskär, most recently as General Manager with overall responsibility for the business unit.

Metals for generations to come

Boliden's vision is to be the most climate-friendly and respected metal provider in the world. We are Europe's producer of sustainable metals and, guided by our values care, courage and responsibility, we operate within exploration, mines, smelters and recycling. We are around 8,000 employees and have annual revenues of approximately SEK 90 billion. The share is listed in the Large Cap segment of NASDAQ OMX Stockholm.
