Notes (other relevant informations according to law)

Silchester as investment manager for certain commingled funds (our "Clients"). No Client holds more than 5% of shares or voting rights. In acting for our Clients, Silchester is given full discretion over their investments and is empowered to vote on their behalf. However, we do not act as our Clients' custodian and therefore shares are not held in our name but in the name of each Client's custodian bank. The change in voting rights held is due to a change in the number of shares in issue.
