About EQT

EQT is a differentiated global investment organization with a 25-year history of investing in, developing and owning companies, and has a demonstrated track-record of attractive, consistent investment performance across multiple geographies and strategies. EQT manages and advises a range of specialized investment funds and other investment vehicles that invest across the world with the mission to generate attractive returns and future-proof companies. EQT has three business segments – Private Capital, Real Assets and Credit – representing approximately 56 percent, 36 percent and 8 percent of total AUM, respectively¹. All business segments are guided by a responsible approach, a digital transformation agenda and a thematic investment strategy.

Since inception in 1994, EQT has been a thought-leader in the private markets industry. As one of the first private equity firms in Northern Europe, EQT has grown its geographical presence, built out a global, well-diversified fund investor base and successfully established and scaled businesses in areas such as Infrastructure, Real Estate, Venture Capital, Credit and Public Value. The Group today conducts its businesses through offices in 15 countries across three continents with approximately 650 FTEs². EQT's well-established platform, ability to generate consistent, attractive returns, long-term relationships with fund investors, and its unique culture, values and brand, have enabled EQT to raise approximately EUR 62 billion of capital since inception.
