The instruction to the nomination committee adopted at the annual general meeting 2017, which has continued to be applied for the years 2018, 2019, 2020, 2021 and 2022, is available on the company's website (www.evolution.com).

Item 14: Resolution on the remuneration report

The board of directors proposes no amendments to the guidelines for remuneration to the senior management (the “**Guidelines**”) which were adopted by the annual general meeting 2020.

The board of directors' remuneration report for 2022 (the “**Remuneration Report**”) provides an outline of how the Guidelines have been implemented in 2022. The Remuneration Report also provides information on the remuneration of the company's CEO and a summary of the company's outstanding incentive programmes. The Remuneration Report has been prepared in accordance with Chapter 8, Sections 53 a and 53 b of the Swedish Companies Act and the Rules on Remuneration of the Board and Executive Management and on Incentive Programmes issued by the Stock Market Self-Regulation Committee. There have been no deviations from the procedure for the implementation of the Guidelines and no derogations from the application of the Guidelines in 2022. The Remuneration Report will be made available on the company's website (www.evolution.com).

The board of directors proposes that the general meeting approves the Remuneration Report.

Item 15: Resolution on an authorisation for the board of directors to resolve on acquisitions of own shares

The board of directors proposes that the general meeting resolves to authorise the board of directors to resolve on acquisitions of the company's own shares on the following terms and conditions:

1. Acquisitions of shares may be made on Nasdaq Stockholm or another regulated market.
2. The authorisation may be exercised at one or several occasions before the annual general meeting 2024.
3. A maximum number of own shares may be acquired so that the company's holding of own shares at any given time does not exceed 10 per cent of all shares in the company.
4. Acquisitions of the company's own shares on Nasdaq Stockholm or another regulated market may only be made within the price interval registered at any given time, *i.e.* the interval between the highest bid price and the lowest selling price.

The purpose of the authorisation is to enable the board of directors to optimise and improve the capital structure of the company, thereby creating additional shareholder value, to enable the company to use acquired own shares as payment for, or financing of, acquisitions of companies or businesses (including payment of earn-outs) and/or to hedge or facilitate the settlement of the company's incentive programmes.

The board of directors shall have the right to decide on other terms and conditions for acquisitions of own shares in accordance with the authorisation.

Majority requirements

A resolution in accordance with this item 15 is valid only where it is supported by shareholders holding not less than two-thirds of both the votes cast and the shares represented at the general meeting.

Item 16: Resolution on an authorisation for the board of directors to resolve on transfers of own shares

The board of directors proposes that the general meeting resolves to authorise the board of directors to resolve on transfers of the company's own shares, with or without deviation from the shareholders' pre-emption rights, on the following terms and conditions:

1. Transfers of own shares may be made on Nasdaq Stockholm, on another regulated market or in another way.

2. The authorisation may be exercised at one or several occasions before the annual general meeting 2024.
3. Transfers of own shares may be made of up to the number of shares that, at any given time, are held by the company.
4. Transfers of own shares on Nasdaq Stockholm or another regulated market may only be made within the price interval registered at any given time, *i.e.* the interval between the highest bid price and the lowest selling price. Transfers of own shares outside of Nasdaq Stockholm or another regulated market may be made against payment in cash, in kind or by way of set-off, and the price shall be established so that the transfer is made on terms corresponding to the terms for the relevant incentive programme, in accordance with current or future contractual obligations of the company or any group company (e.g., as payment for acquisitions) or otherwise on market terms.

The purpose of the authorisation is to enable the board of directors to optimise and improve the capital structure of the company, thereby creating additional shareholder value, to enable the company to use acquired own shares as payment for, or financing of, acquisitions of companies or businesses (including payment of earn-outs) and/or to hedge or facilitate the settlement of the company's incentive programmes.

The board of directors shall have the right to decide on other terms and conditions for transfers of own shares in accordance with the authorisation.

Majority requirements

A resolution in accordance with this item 16 is valid only where it is supported by shareholders holding not less than two-thirds of both the votes cast and the shares represented at the general meeting.

Item 17: Resolution on an authorisation for the board of directors to resolve on the issuance of shares, warrants and convertibles

The board of directors proposes that the general meeting resolves to authorise the board of directors to, during the period until the next annual general meeting, at one or several occasions, resolve to issue new shares, convertibles that may be converted into shares and/or warrants that may be exercised for subscription for new shares. Subscribed for shares, convertibles or warrants shall be paid for in cash, by way of set-off or in kind. The authorisation shall be limited whereby the board of directors may not resolve to issue shares, convertibles or warrants in such a way that the total number of shares that are issued, issued through the conversion of convertibles or issued through the exercise of warrants, exceeds 10 per cent of

the total number of shares in the company at the time when the authorisation is exercised by the board of directors for the first time. In the event that the board of directors resolves to issue new shares, convertibles and/or warrants with deviation from the shareholders' pre-emption rights, the reason for the deviation shall be to enable the use of shares as payment for, or financing of, acquisitions of companies or businesses (including payment of earn-outs).

Majority requirements

A resolution in accordance with this item 17 is valid only where it is supported by shareholders holding not less than two-thirds of both the votes cast and the shares represented at the general meeting.

Item 18: Resolution on an authorisation for the board of directors to resolve on repurchases of warrants

The board of directors proposes that the general meeting authorises the board of directors to, during the period until the next annual general meeting, at one or several occasions, resolve to repurchase, at the market value (which shall be based on the volume weighted average price of the company's share for a period close to the period for repurchase) up to 3,715,679 warrants 2021/2024 which have been issued by the extraordinary general meeting on 28 January 2021 and transferred to holders and not repurchased (which entitle the holders to subscribe for a total of 3,715,679 new shares in the company). The warrants that are subject to the resolution entitle to subscription for new shares in the company for SEK 1,113.80 per share during the period from and including 20 March 2024 (however not earlier than the day after the publication of the company's interim report for the period January–December 2023) up to and including the date that falls 30 calendar days thereafter. The subscription price and the number of shares that each warrant entitles to subscription for may be re-calculated, under certain conditions, in accordance with the complete terms and conditions of the warrants. The complete terms and conditions of warrants 2021/2024 are available on the company's website (www.evolution.com).

The board of directors shall be authorised to resolve on the detailed conditions for implementation and on the administrative measures that may be required for the implementation of this resolution.

The purpose of the authorisation is either to limit the dilution of the company's shares while the warrant holders are offered an opportunity to receive the value of the warrants and/or to be able to use such value to exercise warrants which have not been repurchased by the company or to repurchase warrants from warrant holders who terminate their employment in the group. Repurchased warrants are to be held in the company's custody and cancelled without being transferred.

Item 19: Resolution on transfer of own shares to the sellers of Big Time Gaming Pty Ltd

The board of directors proposes, for the purpose of securing the delivery of shares to the sellers of Big Time Gaming Pty Ltd (“**BTG**”), that not more than 500,000 own shares in the company shall be transferred to the sellers of BTG in accordance with the following:

1. The right to receive shares shall, with deviation from the shareholders’ pre-emption rights, rest with the sellers of BTG (or one or more legal entities controlled or appointed by such sellers). The sellers are employed in subsidiaries of the company.
2. The shares shall be transferred not later than on 31 December 2023.

The reason for the proposed transfer of own shares and the deviation from the shareholders’ pre-emption rights is to comply with the share purchase agreement that the company has entered into with the sellers of BTG.

As previously communicated, the acquisition of BTG entails a right for the sellers to receive earn-out considerations during 2023 and 2024, based on the EBITDA development in BTG. Currently, the company’s assessment is that the earn-out consideration for 2023 will amount to approximately EUR 80 million, of which 30 per cent shall be paid in shares in the company. This would result in a total of approximately 215,000 shares being transferred to the sellers of BTG. The final earn-out consideration (and thus the total number of shares that are to be transferred) is, however, subject to the final outcome. In order to provide the company with a certain degree of flexibility regarding the final earn-out calculation, a transfer of a maximum number of shares has been proposed. The number of shares to be transferred may be lower, but not higher, than the number of shares stated as the maximum number of shares above and will be determined by the board of directors of the company.

Majority requirements

A resolution in accordance with this item 19 is valid only where it is supported by shareholders holding not less than nine-tenths of both the votes cast and the shares represented at the general meeting.

NUMBER OF SHARES AND VOTES

As of the date of this notice, the total number of shares in the company is 215,563,009, corresponding to a total number of votes of 215,563,009. The company holds 1,905,865 treasury shares as of the date of this notice.

SHAREHOLDERS' RIGHTS TO REQUEST INFORMATION

The board of directors and the CEO shall, if requested by a shareholder and the board of directors believes that it can be done without significant harm to the company, provide information in respect of any circumstances which may affect the assessment of a matter on the agenda and any circumstances that may affect the assessment of the company's financial position. The obligation to provide information shall also apply to the company's relationship with another group company, the consolidated accounts and such circumstances regarding subsidiaries that are referred to in the preceding sentence.

DOCUMENTS

The complete proposals and other documents that shall be made available prior to the general meeting pursuant to the Swedish Companies Act and the Swedish Corporate Governance Code will be made available at the company and on the company's website (www.evolution.com), not later than three weeks prior to the general meeting. The documents will also be sent to the shareholders who request it and state their postal address. Such a request may be sent to Evolution AB (publ), "Annual General Meeting", c/o Computershare AB, Box 5267, SE-102 46 Stockholm, Sweden or by e-mail to agm@evolution.com.
