### Camilla Sylvest is proposed for Getinge AB's Board of Directors

The Nomination Committee of Getinge AB (publ) has decided to propose to the Annual General Meeting 2026 that the Meeting elects Camilla Sylvest as a new member of the Board of Directors. The Nomination Committee also informs that the current Board member Malin Persson, who has served since 2014, has announced that she will not be available for re-election in 2026.

Camilla Sylvest has more than 28 years of experience at Novo Nordisk A/S, most recently serving eight years as Executive Vice President, Commercial Strategy and Corporate Affairs, and as a member of the executive management team. She led global commercial strategy across diabetes, obesity, and cardiovascular disease and the global launches of Ozempic and Wegovy. Previously she held General Manager roles for Novo Nordisk affiliates in Denmark, Germany, Southeast Asia, and Region China. She currently serves on the board of directors of argenx SE, a global biotechnology company, headquartered in the Netherlands.

In connection with the notice to the Annual General Meeting 2026, the Nomination Committee's complete proposal together with a reasoned statement will be made available.
