

Press release, Stockholm, Sweden, 17 March 2010

Hexagon strengthens Geosystems' management

Jürgen Dold will assume the position as President of Geosystems as of 1 April 2010. Hexagon Geosystems is one of three application areas in Hexagon Measurement Technologies. Mr Dold has been with the company since 1995 and currently holds the position as President of Geospatial Solutions Division at Hexagon.

“Jürgen Dold has an excellent track record and a keen understanding of the geospatial and geomatics markets”, says Ola Rollén, President and CEO of Hexagon AB.

Jürgen Dold will join the Hexagon Group Management team consisting of Ola Rollén (President and CEO), William Gruber (Executive Vice President), Håkan Halén (CFO), Norbert Hanke (President Hexagon Metrology), Li Hongquan (President Hexagon's operations in China), Frederick London (General Counsel) and Bo Pettersson (Chief Technical Officer).
