Hexagon announces proposed dividend of 0.62 EUR per share

Hexagon AB's Board of Directors proposes a dividend of 0.62 EUR per share for the fiscal year 2019. The proposal will be addressed at an Extraordinary General Meeting on 1 December 2020.

During the spring, the Board of Directors withdrew its original dividend proposal of 0.62 EUR per share due to the uncertainty surrounding the COVID-19 pandemic. The Board of Directors has since then assessed the impact of the pandemic on the Company's financial performance and has decided to reinstate the dividend proposal.

Due to the current circumstances, the Extraordinary General Meeting on 1 December will be conducted without the physical presence of stakeholders. All votes will be submitted electronically or by post prior to the Meeting.
