
Hexagon welcomes new President and CEO, Anders Svensson

Stockholm, Sweden – 21 July 2025 - Hexagon, the global leader in measurement technologies, today announced that Anders Svensson has officially assumed the role of President and CEO as of 20 July 2025. His appointment was first announced on 20 January 2025.

Anders Svensson succeeds Norbert Hanke, who has served as interim President and CEO since November 2024. Norbert will now take on the role of Group Executive Vice President where he will assume responsibility for people and culture at a group level and lead ventures and other strategic projects. He will continue reporting directly to Hexagon's President and CEO and remain a member of Hexagon's executive management team.

Anders Svensson, President and CEO, Hexagon AB, commented, "It's a great honour to join Hexagon and to be part of a business with such a strong legacy of innovation and market leadership." He continued, "Hexagon is uniquely placed to capture several disruptive growth opportunities, including autonomy, robotics, digital twins and the real-world application of AI. I look forward to working with new colleagues to build on this strong foundation for further profitable growth."
