Annica Bresky new CEO of Iggesund Paperboard

Annica Bresky has been appointed CEO and business area manager of Iggesund Paperboard in the Holmen Group. She will take up the post on 1 October 2013.

Annica Bresky is currently CEO of BillerudKorsnäs Karlsborg AB and has previously worked as production manager on StoraEnso Kvarnsveden's most modern paper machine. Annica has an MSc in Civil Engineering from Uppsala University's School of Engineering and is 38 years old. She succeeds Björn Kvick who is retiring after 12 years as CEO of Iggesund Paperboard.

"We are delighted to see Annica Bresky joining us at Holmen," says Holmen's President and CEO Magnus Hall. "Annica is a person with an exceptional amount of drive and has the qualities needed to lead the important work of taking Iggesund Paperboard on into the future."

The head of Iggesund Paperboard is part of the group management team and reports to the President and CEO.
