### Holmen postpones the Annual General Meeting

The Swedish Government has today decided to ban public gatherings and public events with more than 50 people as of Sunday 29 March. Since this decision is also the norm for other types of gatherings, Holmen's Board of Directors has decided to postpone the Annual General Meeting, which was planned to be held on March 30, 2020 in Stockholm.

Holmen will invite to the AGM no later than four weeks before the new date. The meeting will be held no later than June 30, in accordance with applicable legislation.

**Holmen's** business concept is to own and add value to the forest. The forest holdings form the basis of the business – an ecocycle in which the raw material grows and is refined into everything from wood for climate-smart building to renewable packaging, magazines and books. The forest is managed to provide a good annual return and stable value growth while our production operations are run with a focus on profitability and greater value added. In 2019 Holmen's net sales were approx. SEK 17 billion and the group has approx. 3 000 employees. Holmen's shares are listed on Nasdaq Stockholm, Large Cap.
