

Press release, Malmö, Sweden, November 20, 2014

Acquisition and integration costs Q4-2014

HEXPOL will, as previously announced, report acquisition and integration costs in Q4-2014 relating to the acquisition of Vigar Rubber Compounding. The costs are estimated to approximately 5 MEUR and consist of acquisition, integration and restructuring costs including an intended closure of Vigar's German manufacturing facility in Viersen.
