As a property company, K-Fastigheter's objective is to add value for tenants by creating attractive homes with superior comfort. The Group's operations encompass active property management, project development and proprietary construction operations. To enhance cost efficiency and cut construction times, K-Fastigheter has chosen to work with three concept buildings, developed in-house and constructed for proprietary management. K-Fastigheter provides some 2,280 homes in several locations in the Öresund region, in the province of Småland and in western Sweden, and is assessing new markets as production capacity increases. The Group's property portfolio has a book value SEK 7.4 billion, with an annual rental value of about SEK 278 million. Since November 2019, the company's Class B shares have been traded on Nasdaq Stockholm under the (ticker: KFAST B). Read more at www.k-fastigheter.com
