Lindab – A Ventilation and Building Products company:

Lindab develops, manufactures, markets and distributes products and system solutions primarily in steel for simplified construction and improved indoor climate.

The business is carried out within three business areas, Ventilation, Building Components and Building Systems. The products are characterised by their high quality, ease of assembly, energy efficiency, consideration towards the environment, and are delivered with high levels of service. Altogether, this increases customer value.

The Group had net sales of SEK 6,878 m in 2011, was established in 31 countries and had approximately 4,300 employees. The main market is non-residential construction, which accounts for 80 percent of sales, while residential accounts for 20 percent of sales. During 2011, the Nordic market accounted for 46 percent, CEE/CIS (Central and Eastern Europe as well as other former Soviet states) for 23 percent, Western Europe for 28 percent and other markets for 3 percent of total sales.

The share is listed on the Nasdaq OMX Nordic Exchange, Stockholm, Mid Cap. For more information visit www.lindabgroup.com
