MEDICOVER ACQUIRE SELLMERDIERS SPERM BANK IN DENMARK

Medicover has acquired 88.8 per cent of the voting rights of the Danish sperm bank SellmerDiers from the two founders, Liza Diers and Anette Sellmer. SellmerDiers operates in three cities Aarhus, Copenhagen and Aalborg and is the third largest European sperm bank. SellmerDiers was acquired for 13.7 MEUR plus earn-out linked to future performance and reported revenue of 4.0 MEUR in 2020. The acquisition is an important strategic addition to Medicover's existing fertility business.
