NCC divests land in Denmark for SEK 95 million

Today, NCC divested land in Copenhagen, Denmark, to a private investor for a purchase price of approximately SEK 95 million.

NCC has owned a large area of land on Teglholmen in southern Copenhagen since 1993, which has gradually been developed with offices and housing. NCC has now sold the remaining 9,400 square meters of land, the property with title no. 176a, Kongens Enghave, with a building permit for about 15,500 square meters, to a private investor for a purchase price of approximately SEK 95 million.

The divestment will have a positive impact of about SEK 55 million on earnings in the NCC Property Development business area in the second quarter of 2017.
