**Catarina Molén-Runnäs will become new Business Area Manager of NCC Building Nordics. He will stay on as senior advisor.**

Catarina Molén-Runnäs comes from Nordic Choice Hotels where she for six years has been CPO and CEO of Nordic Property Management.

“I am really looking forward to re-joining NCC where I started my career and take on this role. I have been working on a Nordic basis since 2004 and I see a great potential in continuing to develop NCC in Denmark, Norway and Finland”, says Catarina Molén-Runnäs, incoming Business Area Manager of NCC Building Nordics.

Catarina Molén-Runnäs has solid experience from all Nordic countries. She started her career at NCC and has since worked in property development across the Nordics. She holds a degree in engineering from KTH Royal Institute of Technology in Stockholm.

“I welcome Catarina Molén-Runnäs back to NCC. There are large growth opportunities for Building Nordics in all three countries where her experience will be valuable”, says Tomas Carlsson, CEO of NCC.

Catarina Molén-Runnäs will start in February 2020. Klaus Kaae retires from his operational role after 34 years at NCC in different leading positions. He will remain at NCC as senior advisor.

“Klaus Kaae has played an important role in shaping the development not only of NCC but the whole industry in Denmark and elsewhere in the Nordics during his 34 years at NCC. I am pleased that he will continue to contribute to NCC in another role but would like to thank him already now for valuable contribution, says Tomas Carlsson.
