Nomination Committee (Item 16 on the Agenda):

The Nomination Committee is appointed annually and must consist of the Chairman of the Board of Directors and a representative of each of the three largest shareholders in terms of votes at the end of the third quarter. The Chairman of the Board of Directors shall convene the first meeting of the Nomination Committee. The names of the persons who will form the Nomination Committee must be published on the company's website no later than six months before the next Annual General Meeting. If any of the three biggest shareholders in terms of votes refrains from appointing a representative to the Nomination Committee, this right accrues to the next largest shareholder in terms of votes. If any shareholder who appointed a member to the Nomination Committee disposes of a major holding of its shares in the company before the work of the Nomination Committee has been completed, the member appointed by this shareholder, if the Nomination Committee so decides, shall resign and be replaced by a new member appointed by the largest shareholder, in terms of votes, that is not represented on the Nomination Committee. The Nomination Committee appoints a Chairman from among its members. The Chairman of the Nomination Committee may not be a member of the Board of Directors. The Nomination Committee must prepare proposals for presentation to the 2018 Annual General Meeting for resolutions on the Chairman of the Meeting, Board fees, auditors' fees, the Board of Directors, the Chairman of the Board of Directors, auditors and the Nomination Committee for the 2019 Annual General Meeting.

Dividend and record date (Item 10 on the Agenda)

The Board of Directors and the CEO propose a dividend to the shareholders of SEK 1.10 per share (SEK 1.00). The Board of Directors recommends 2 May 2017 as the record date for the dividend. If the proposal is approved by the Annual General Meeting, the dividend should be paid out by Euroclear Sweden AB on 5 May 2017.

Guidelines for remuneration of senior executives (Item 17 on the Agenda)

The Board of Directors is proposing that the Annual General Meeting approve the following guidelines, which are unchanged from the guidelines approved by the 2016 Annual General Meeting. Remuneration and other terms and conditions of employment for the company's senior management must be on market terms and competitive, and must be based on the employee's responsibilities and performance. Remuneration takes the form of a fixed salary for all members of the senior management. Pension terms and conditions must be on market terms and based on a defined-contribution pension or the ITP occupational pension scheme for white-collar workers.

In addition to a fixed salary, it should also be possible to offer variable remuneration to reward predetermined and measurable performance. Variable remuneration must not exceed an amount corresponding to three monthly salaries, or six monthly salaries for the CEO. Long-term variable incentive schemes should be share-based and performance-related, and the maximum commitment should be limited to annual salary.

Notice of termination, when given by the company, shall be up to 12 months. Severance pay, including salary during the notice period, must not exceed 12 monthly salaries.

Variable remuneration to senior executives in the company in 2016 amounted to approx. SEK 2.2 million.

The Board of Directors has the right to deviate from the guidelines in the event of special circumstances in individual cases.

Authorisation for the Board of Directors to decide on a new share issue (Item 18 on the Agenda)

The Board of Directors proposes that the Annual General Meeting resolves to authorise the Board of Directors to decide, by no later than the time of the next Annual General Meeting, on one or more occasions and with or without a preferential right for the shareholders, on a new issue of class B shares for a total value of no more than 10 percent of the share capital. The share issue may be made as a cash, non-cash or offset issue. Shares may only be issued at market price. The reason for departing from the preferential right for the shareholders is that the company, in the case of property transactions, may need prompt access to capital or, alternatively, need to pay with the company's shares. Furthermore, it is proposed that the Meeting authorise the Board of Directors and the CEO to make any minor adjustments to this resolution and take any action that may be necessary in connection with registration.

Please note that approval of the resolution is subject to the vote of shareholders with at least two thirds of both the votes cast and the shares represented at the meeting.
