SEB has received approval from the Swedish FSA to buy back shares for an amount of SEK 1.25 billion, valid until the end of April 2026. On 28 January 2026, the Board of Directors resolved to utilise the authorisation granted by the Annual General Meeting held on 1 April 2025, to initiate a new SEK 1.25 billion buyback programme of Class A shares. The share buyback programme is expected to commence on 30 January 2026 and end on 23 March 2026, at the latest. Repurchased shares are expected to be cancelled.

The share buyback programme will be managed by an independent financial investment firm, which will make its trading decisions regarding the timing of the share repurchases independently of, and without influence by, SEB. Share repurchases shall take place on Nasdaq Stockholm Stock Exchange in accordance with the Nordic Main Market Rulebook for Issuers of Shares – NASDAQ Stockholm (Supplement D) and in accordance with the Regulation (EU) No 596/2014 of the European Parliament and of the Council on market abuse (MAR) and the Commission Delegated Regulation (EU) 2016/1052 (the Safe Harbour Regulation). Share repurchases under the share buyback programme may periodically be halted for SEB's repurchases of own shares for SEB's long-term incentive programme.
