Multinational healthcare company leases office space in Skanska's Nordic Light Trio in Budapest, Hungary

Skanska has leased 10,600 square meters of office space in the third phase of Nordic Light Trio in Budapest to a multinational healthcare company. The tenant will occupy almost 80 percent of Nordic Light Trio.

The third phase will complete the already existing Nordic Light Trio office complex. The first two buildings were successfully delivered, leased and sold in 2016.

At completion, in the second quarter of 2020, Nordic Light Trio will offer a total leasable area of approximately 14,000 square meters.

Skanska is one of the leading development and construction companies in Europe. Outside the Nordics, the company has European operations in building construction and civil engineering in Poland, Czech Republic & Slovakia and UK. Skanska develops commercial properties in select home markets in Poland, Czech Republic, Romania and Hungary, while the residential development is active in Prague and Warsaw. Skanska also offers services in public private partnerships. In 2017, Skanska had sales of SEK 37 billion and about 16,000 employees in its European operations.
