INFORMATION CONCERNING INVESTMENT RISK

Noteholders and prospective purchasers of Notes should ensure that they understand the nature of the Notes and the extent of their exposure to risk and that they consider the suitability of the Notes as an

investment in the light of their own circumstances and financial condition. Given the highly specialised nature of these Notes, Morgan Stanley (the "Issuer") and Morgan Stanley & Co. International plc ("MSI plc") consider that they are only suitable for highly sophisticated investors who are able to determine for themselves the risk of an investment linked to the Underlying, are willing to take risks and can absorb the partial or complete loss of their initial investment. Consequently, if you are not an investor who falls within the description above you should not consider purchasing these Notes without taking detailed advice from a specialised professional adviser.

Potential investors are urged to consult with their legal, regulatory, investment, accounting, tax and other advisors with regard to any proposed or actual investment in these Notes. Please see the Base Prospectus for a full detailed description of the Notes and in particular, please review the Risk Factors associated with these Notes.

Tax considerations for non-U.S. holders: a Non-U.S. holder will be subject to U.S. withholding tax unless the beneficial owner of the note (or a financial institution holding the note on behalf of the beneficial owner) furnishes a Form W-8BEN, on which the beneficial owner certifies under penalties of perjury that it is not a U.S. person. If withholding or deduction of taxes is required by law, payments on the notes will be made net of applicable withholding taxes, and we will not be required to pay any additional amounts to Non-U.S. holders with respect to any taxes withheld.

In purchasing any Notes, purchasers will be deemed to represent and undertake to the Issuer, the Dealer and each of their affiliates that (i) such purchaser understands the risks and potential consequences associated with the purchase of the Notes, (ii) that such purchaser has consulted with its own legal, regulatory, investment, accounting, tax and other advisers to extent it believes is appropriate to assist it in understanding and evaluating the risks involved in, and the consequences of, purchasing the Notes and (iii) in accordance with the terms set out in Annex 1.

Morgan Stanley is not qualified to give legal, tax or accounting advice to its clients and does not purport to do so in this document. Clients are urged to seek the advice of their own professional advisers about the consequences of the proposals contained herein.

US Treasury Circular 230 Notice - Morgan Stanley does not render advice on tax and tax accounting matters to clients. This material was not intended or written to be used, and it cannot be used by any taxpayer, for the purpose of avoiding penalties that may be imposed on the taxpayer under U.S. federal tax laws.
