

PRESS RELEASE

28 November 2008

Number of shares and voting rights in Sweco as of 28 November 2008

In accordance with law, Swedish corporations whose shares are traded on a regulated market – if a change in the total number of shares or voting rights has occurred – must make public these changes on the last trading day in the calendar month in which the changes occurred.

During the month of November 2008, as a result of the subscription of series B shares through the exercise of options within the framework for the warrant program 2005/2008, an increase in the number of shares by a total of 99,280 series B shares was registered at the Swedish Companies Registration Office and VPC.

Therefore, the total number of shares in Sweco totals 89 502 110, of which 9 389 075 series A shares, 78 563 035 series B shares and 1 550 000 series C shares. Sweco holds 807 867 series B shares and 1 550 000 series C shares. The total number of votes in Sweco is 17 400 378,5. However, Sweco does not have voting rights for its series B shares and series C shares, which it holds. Share capital totals SEK 89 502 110.

Sweco is a provider of international consulting engineering services with combined expertise in engineering, environmental technology and architecture. The Group has annual sales of approximately SEK 4.6 billion and 5,500 employees in ten countries. The company has projects currently underway in some 80 countries worldwide.
