Changes in Swedbank's Group Executive Committee

Anders Karlsson will leave as Chief Financial Officer for Swedbank to become General Manager for the bank's branch in the US. He has been the bank's CFO during the last 8 years and will assume his new role by the beginning of next year.

- I would like to thank Anders for an excellent job during our years together. He has significantly contributed to securing a stable financial situation for the bank. Anders has also laid the foundation for our plan Swedbank 15/25 – a sustainable return on equity of at least 15%, says Jens Henriksson, President and CEO of Swedbank.

The work of finding a successor starts now.
