

Pressrelease 25<sup>th</sup> August 2010

## New large order to Systemair in Italy

**Systemair has received an order worth approximately 2.1 MEUR where we deliver 470 tunnel fans to be used for the refurbishment of 20 tunnels in the Italian region Lombardy.**

Tunnel fans delivered is Systemair's new AJ1000TR and are made of stainless steel and can stand 400 ° C operational temperature. The fans will be manufactured by our company Systemair GmbH in Germany.

"- This is our second really large order of tunnel fans in Italy and confirms our breakthrough in the European market for our infrastructure fans ", says Kurt Maurer, Product Area Director Fans, of Systemair.
