

**Press Release**  
**September 21, 2012**

## **Management changes in Mobility Services**

**Tero Kivisaari, currently President of Business Area Eurasia, has today been appointed President of Business Area Mobility Services. He succeeds Håkan Dahlström, who leaves his position and the TeliaSonera Group.**

“Håkan Dahlström has contributed to the successful development of TeliaSonera’s business in the Nordic and Baltic region for many years. In order to develop our mobile business further and deal with the increasing challenges that this industry is facing, we need to change the leadership. Therefore Håkan Dahlström leaves his position”, says Lars Nyberg, President and CEO.

Tero Kivisaari will in addition to his new appointment continue to be President of Business area Eurasia.

TeliaSonera AB discloses the information provided herein pursuant to the Swedish Securities Markets Act and/or the Swedish Financial Instrument Trading Act. The information was submitted for publication at 1 p.m. CET on September 21, 2012.

### **Forward-Looking Statements**

Statements made in the press release relating to future status or circumstances, including future performance and other trend projections are forward-looking statements. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There can be no assurance that actual results will not differ materially from those expressed or implied by these forward-looking statements due to many factors, many of which are outside the control of TeliaSonera.

---

TeliaSonera provides network access and telecommunication services in the Nordic and Baltic countries, the emerging markets of Eurasia, including Russia and Turkey, and in Spain. TeliaSonera helps people and companies communicate in an easy, efficient and environmentally friendly way. Our ambition is to be number one or two in all our markets, providing the best customer experience, high quality networks and cost efficient operations. TeliaSonera is also the leading European wholesale provider with a wholly-owned international carrier network. In 2011, net sales amounted to SEK 104 billion, EBITDA to SEK 36.9 billion and earnings per share to SEK 4.20. The TeliaSonera share is listed on NASDAQ OMX Stockholm and NASDAQ OMX Helsinki.
