Telia Company confirms discussions with Bonnier

Telia Company notes speculations in media regarding a potential acquisition of Bonnier Broadcasting.

As Telia Company has previously stated, content is an important part of the company's future strategy and we continuously investigate possibilities in this and other areas. The discussions with Bonnier are to be seen in that context.

Telia Company has at this stage no further comments but will communicate the further if and when appropriate.

This information is information that Telia Company AB is obliged to make public pursuant to the EU Market Abuse Regulation. The information was submitted for publication, through the agency of the contact person set out above, at 11:55 CET on May 25, 2018.

Forward-Looking Statements

Statements made in the press release relating to future status or circumstances, including future performance and other trend projections are forward-looking statements. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There can be no assurance that actual results will not differ materially from those expressed or implied by these forward-looking statements due to many factors, many of which are outside the control of Telia Company.
