

Press Release

June 4th 2021

Cecilia Lundin, Executive Vice President, Head of People Experience & Culture, will be leaving Telia Company

“After seven years leading Telia Company’s People function, including four years overseeing the company’s Brand and Sustainability functions, Cecilia and I have agreed that the time is now right for her to step down from her current position. Cecilia has played a significant role in the development and modernization of Telia’s people, culture and values during her tenure and has been a great steward of the company during times of change. I am personally grateful to Cecilia for her support during my onboarding into Telia, and for her valued contribution to our new purpose and strategy, which defines the next chapter for Telia,” says Allison Kirkby, President & CEO, Telia Company.

Cecilia will remain with the company for the majority of 2021 supporting the appointment of her successor.

Forward-Looking Statements

Statements made in the press release relating to future status or circumstances, including future performance and other trend projections are forward-looking statements. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There can be no assurance that actual results will not differ materially from those expressed or implied by these forward-looking statements due to many factors, many of which are outside the control of Telia Company.
