Trelleborg presents historical sales and result numbers based on new business area structure

As from January 1, 2013, Trelleborg has a new business area structure, announced in a press release on December 6, 2012. As a result of the organizational changes, previously reported quarterly data for the business areas during 2007 and 2012 have been recalculated to conform with the new operational structure.

The data on key indicators can be found in the enclosed file.

Trelleborg is a global industrial group whose leading positions are based on advanced polymer technology and in-depth applications know-how. Trelleborg develops high-performance solutions that seal, damp and protect in demanding industrial environments. The Trelleborg Group has annual sales of about SEK 22 billion with about 15,500 employees in over 40 countries. The Group comprises five business areas: Trelleborg Coated Systems, Trelleborg Industrial Solutions, Trelleborg Offshore & Construction, Trelleborg Sealing Solutions and Trelleborg Wheel Systems. In addition, Trelleborg owns 50 percent of TrelleborgVibracoustic, a global leader within antivibration solutions for light and heavy vehicles, with annual sales of SEK 13 billion and about 8,000 employees in 18 countries. The Trelleborg share has been listed on the Stockholm Stock Exchange since 1964 and is listed on the NASDAQ OMX Nordic List, Large Cap. www.trelleborg.com
