About Truecaller:

Truecaller (TRUE B) is the leading global platform for verifying contacts and blocking unwanted communication. We enable safe and relevant conversations between people and make it efficient for businesses to connect with consumers. Fraud and unwanted communication are endemic to digital economies, especially in emerging markets. We are on a mission to build trust in communication. Truecaller is an essential part of everyday communication for more than 350 million active users, with half a billion downloads since launch and around 50 billion unwanted calls identified and blocked in 2022. Headquartered in Stockholm, since 2009, we are a co-founder led, entrepreneurial company, with a highly experienced management team. Truecaller is listed on Nasdaq Stockholm since 8 October 2021.
