### Vitec signs multannual contract with Länsförsäkringar

Vitec has signed an agreement with Länsförsäkringar Fondliv for the supply and maintenance of a new pension and insurance schemes. The contract is worth approximately SEK 8.5 million during the first three years. The new software includes functions for calculations of retirement, disability and survivor benefits. In addition to Sweden's public pension system is also supports a dozen occupational pension agreements.

- With the new pension calculating software from Vitec we can meet our customers more effectively and we can continue to invest in our focus areas Pension Analysis and insurance needs investigations. Our approach to managing customer relationships, combined with new tools and new ideas are our greatest competitive advantage, says Solveig Andersson, Project Manager at Länsförsäkringar Fondliv.

- We are very pleased that Länsförsäkringar has chosen us as their partner for the new pension system software. We have developed and delivered pension calculations software for many years and are now experiencing an increased interest in further developing the products to provide increased value to our clients in the banking and insurance industry, says Linda Tybring, Head of Vitec Business unit, Finance & Insurance at Vitec.
