## Alimak Group acquires American service company

**Alimak Group has today entered into an agreement to acquire the assets of Verta Corporation, an American service provider with a large share of the portfolio consisting of Manntech units.**

Verta Corporation provides maintenance, parts, inspections and project consultation for BMUs in USA and Canada. The company was founded in 1976 and has 14 employees. The main office is located in Grand Rapids, Minnesota, US.

"I am pleased to welcome Verta Corporation into Alimak Group. This acquisition will further strengthen our standing as the market leading service provider in North America and give us access to even more, highly skilled service technicians that will help grow our After Sales business," says Ole Kristian Jødahl, CEO Alimak Group.

Verta Corporation's revenue in 2019 amounted to MUSD 3.1 (approximately MSEK 27) and the company will become a part of Alimak Group's business area After Sales. Closing is expected to take place on September 30, 2020. The purchase price is not material relative to Alimak Group's market capitalisation.
