

New CEO Technia and President for Business area Product Lifecycle Management

Jonas Gejer has been appointed new CEO of Technia and President of Business area Product Lifecycle Management as of June 15, 2011.

Jonas Gejer, one of the founders of Technia, has served the company for 17 years and currently holds the position as Vice President and Director Consumer & Life Sciences, Europe.

"I am convinced that Jonas Gejer has the experience and the right skills to build an even stronger Technia with the help of all the knowledge and experience that the employees within Technia represents, says Staffan Hanstorp, CEO and President Addnode Group.

Ylva Berg, CEO of Technia and President of Business area Product Lifecycle Management has left her positions.

"I would like to thank Ylva Berg for her contribution over the last two years and wish her all the best in her future career," says Staffan Hanstorp.

The information in this press release is such that Addnode must disclose in accordance with the Swedish Securities and Clearing Operations Act and/or the Financial Instruments Trading Act. The information was released on June 15, 2011 at 07.30 a.m.
