

Press release, 14 December 2018

The divestment of Attendo's health care operations in Finland has been approved by the Finnish Competition Authority

On 17 May 2018, Attendo signed an agreement to divest the Finnish health care operations to the healthcare company Terveystalo.

The transaction has now been approved by the Finnish Competition Authority and is expected to be completed on 28 December 2018.

Attendo will continue to provide care services in Finland, primarily in care for older people, social psychiatry and in care for people with disabilities. After the divestment, operations in Finland consist of around 370 units with annual sales of approximately SEK 5 billion. The operations are led by Attendo Finland's Managing Director Pertti Karjalainen.

Attendo - the leading care and healthcare company in the Nordics

Attendo is the leading private provider of publicly financed care and healthcare services in the Nordic region. The company was founded in 1985 and was first to provide outsourced care for older people in Sweden. In addition to care for older people, Attendo provides care for people with disabilities, individuals and families, and, in Finland, healthcare and dental care. Attendo has more than 24,000 employees and is locally anchored with over 700 operations in more than 200 municipalities in Sweden, Finland, Norway and Denmark. www.attendo.com
