**Press Release**  
**11 June 2009**

## **BioGaia signs distribution agreement in Germany.**

**BioGaia has signed an exclusive distribution agreement for BioGaia's Probiotic Drops with the German pharmaceutical company InfectoPharm. The product will be sold under the BioGaia brand.**

"InfectoPharm has a strong position and recognition among pediatricians making them an ideal partner for our top selling BioGaia Drops, and we are now confident and eager to take on the challenging German market ", says Peter Rothschild, President, BioGaia AB.

"We have closely followed the success of the BioGaia Drops in many other European markets and see a big need for this product also for the children in Germany" says Dr. Manfred Zöller, President at InfectoPharm.

InfectoPharm is a German pharmaceutical company with a strong pediatric portfolio. The company with headquarters in Heppenheim, Germany, covers the whole area of infectious diseases, gastroenterology, dermatology and pneumology. They represent the market leaders in their particular market niches.
