

## **BioGaia's results for the fourth quarter to exceed market expectations**

(Figures in the brackets refer to the same period the previous year)

During the fourth quarter of 2024, BioGaia reports growth across all regions with stronger performance in Americas and stronger than expected performance in APAC and EMEA due to order variability, in combination with robust operating margins while continuing to invest in the expansion of our direct distribution business.

For the fourth quarter, sales are preliminarily estimated at SEK 365 million (298), an increase of 23% (excluding foreign exchange effects, 24%). The operating profit for the fourth quarter is preliminarily estimated at SEK 103 million (81), an increase of 28%.

BioGaia publishes the interim report for the fourth quarter 2024 on Wednesday, February 12, 2025, at 08:00 a.m. CET, followed by an audiocast at 09:30 a.m. CET.
