

BONESUPPORT appoints Kristina Ingvar to Executive Vice President Quality Management & Regulatory Affairs

Lund, Sweden, 15:00 CET, 18 December 2019 – BONESUPPORT™, an emerging leader in orthobiologics for the management of bone injuries, announces changes in its leadership team. Kristina Ingvar starts with the company February 1, 2020 and will formally take on the position as the Executive Vice President Quality Management & Regulatory Affairs of the company from 1 April 2020, in connection with Carin Nilsson-Thorell's retirement. Kristina has a medical degree from Lund University. She joins BONESUPPORT from Novo Nordisk, where her most recent role has been Global Program Vice President, Regulatory Affairs. During her 20-year long career Kristina has held various product, project and people management positions in the regulatory, quality, safety and medical areas. Kristina has worked closely with R&D and Manufacturing & Supply, as well as Sales & Marketing in both small and large companies.

"Kristina Ingvar is the right person to take on the responsibility for our regulatory and quality functions. Kristina's experience in the field, together with her leadership and market-oriented thinking will be of great value to us. At the same time, I would like to extend a big thank you to Carin Nilsson-Thorell who has meant a lot to the company and its journey for many years and wish her all the best for the future" says Emil Billbäck, BONESUPPORT's CEO.
