"We know Peter as a capable and driven person and he is the right person to lead the company in our work to develop the business, create profitable and cost-effective management with a low vacancy rate. Peter will also be tasked with taking Brinova forward in the company's work with continued expansion," comments Erik Selin, Chair of the Board of Directors at Brinova.

"I am very much looking forward to this assignment. I see great potential in Brinova given the fine portfolio that includes the properties recently acquired from K-Fastigheter. Brinova has a strong position in southern Sweden and from there we will grow in nearby geographies," says Peter Ullmark.
