

Concentric AB has appointed Deborah Clayton as Vice President Group HR

Concentric AB has appointed Deborah Clayton as Vice President Group Human Resources. Deborah will be responsible for delivering the company's HR strategy and developing and implementing best practice procedures across a global workforce throughout the US, Europe and Asia.

Deborah holds a MA in Human Resources Management from the University of Northampton in addition to being a member of the Institute of Personnel and Development (CIPD). With nearly 10 years' of experience as an international Human Resources professional, Deborah has gained experience across both public and multi-site international manufacturing companies.

David Woolley, President and CEO of Concentric AB commented, "we are delighted that Deborah is joining the Concentric team. Deborah brings a vast breadth of experience and a proven track record of delivering creative HR programmes across global engineering and manufacturing operations. Her experience of continuous improvement (CI) will complement our investment in Concentric's Business Excellence Programme (CBE)".
