Corporate Governance Policies

The Board has adopted a *Statement of Corporate Governance* that sets forth the Company's corporate governance guidelines and practices. The *Statement of Corporate Governance* addresses, among other things, the composition and functions of the Board and its committees, Director independence, Board membership criteria, Director compensation and equity ownership requirements and management evaluation and succession.

The Board has also adopted the *Standards of Business Conduct*, which are applicable to all Directors, officers and employees of the Company.

The *Standards of Business Conduct* confirm the Company's policy to conduct its affairs in compliance with all applicable laws and regulations and observe the highest standards of business ethics. To promote further ethical and responsible decision-making, the Board has established the *Code of Ethics for the Chief Executive Officer and Senior Financial Officers* (the "Code of Ethics").

The *Statement of Corporate Governance*, the *Standards of Business Conduct*, the *Code of Ethics* and each of the Board committee charters are available on the Company's website at newscorp.com under "About

Us—Corporate Governance” and in print to any stockholder who requests them from the Corporate Secretary at our principal executive offices: News Corporation, 1211 Avenue of the Americas, New York, New York 10036. If the Company amends or waives the

Standards of Business Conduct or the *Code of Ethics* with respect to an executive officer or Director, it will post the amendment or waiver at the same location on its website.

Stockholder Engagement

The Board believes that continual and transparent communication with our stockholders is a key component of strong corporate governance. In fiscal 2016, the independent Directors identified stockholder outreach as an area of priority and directed the expansion of the Company’s engagement program to include a specific focus on corporate governance. Our Board and our senior management engaged with unaffiliated stockholders representing over 35% of the outstanding Class B Common Stock and approximately 60% of the outstanding Class A Common Stock. Our independent Lead Director directly participated, in person or by telephone, in engagement with

unaffiliated stockholders representing approximately 35% of the outstanding Class B Common Stock and over 20% of the outstanding Class A Common Stock. The Board strongly values the feedback our stockholders have provided on a wide range of topics including Board oversight of our business strategy, capital allocation, corporate governance, Board composition, management succession planning, executive compensation, sustainability and the Company’s financial and operating performance. This input is shared with the Board and its relevant committees and informs the Company’s strategy and policies as we seek to build long-term value for our stockholders.

Annual Director Elections and Majority-Voting Policy

All Directors are elected annually by our stockholders. In an uncontested election, each Director must be elected by a majority of the votes cast, meaning that the number of votes cast “FOR” a Director’s election must exceed the number of votes cast “AGAINST” that Director’s election. In a contested election, each Director will be elected by a plurality of votes cast. Under the Company’s Amended and Restated By-laws (the “By-laws”), an

incumbent Director who does not receive a majority of votes cast in an uncontested election must submit his or her resignation to the Board within 10 days. Within 90 days of the date of the certification of the election results, the Board will determine, considering all factors it deems relevant (including those set forth in our *Statement of Corporate Governance*), whether to accept the resignation.

Director Independence

Our *Statement of Corporate Governance* requires that the Board be comprised of a majority of “independent directors” in accordance with the listing rules of the NASDAQ Stock Market (“NASDAQ”). The Board, upon the recommendation of the Nominating and Corporate Governance Committee, will review and determine the independence of each Director at least annually and at other times as appropriate. The Board considers all relevant facts and circumstances in making an independence determination as to each Director, including but not limited to any relationships and

transactions between the Director (and his or her immediate family members and affiliated entities) and the Company and its affiliates.

As a result of its review, the Board affirmatively determined that Mmes. Bancroft, Chao and Pessoa and Messrs. Aznar, Barnes and Siddiqui are independent under the standards adopted by the Company and set forth in the NASDAQ listing rules. The Board also determined that John Elkann, who served on the Board during fiscal 2016, was independent.

Independent Oversight and Executive Sessions of Independent Directors

The Board believes its independent oversight function is further enhanced by our Audit, Compensation and Nominating and Corporate Governance Committees being comprised entirely of independent Directors.

In addition, the independent Directors of the Board generally meet in executive session without management present at every regularly scheduled Board meeting. During fiscal 2016, the independent Directors met in executive session at all six Board meetings.

Board Leadership Structure

|---|---|

Mr. K.R. Murdoch serves as the Executive Chairman of the Board, while Mr. Thomson serves as the Chief Executive Officer and a Director. Both Mr. K.R. Murdoch and Mr. Thomson are considered executive officers of the Company. Our *Statement of Corporate Governance* provides that the Board is responsible for establishing and maintaining the most effective leadership structure for the Company. To retain flexibility in carrying out this responsibility, the Board does not have a policy on whether the Chairman of the Board shall be an independent member of the Board. However, if the Chairman is not an independent Director, an independent Director shall be designated by a majority of the independent Directors of the Board to serve as Lead Director for a period of at least one year. Mr. Barnes, an independent Director, currently serves

as our Lead Director. The remaining Directors include Mr. L.K. Murdoch, our Co-Chairman, and seven other Directors (five of whom are independent). A majority of the Directors are independent.

The Board believes our current leadership structure is effective and serves the best interests of our stockholders at this time. The Board believes that this structure allows our Chief Executive to focus on his duties in managing the day-to-day operations of the Company, while benefiting from Mr. K.R. Murdoch's and Mr. L.K. Murdoch's invaluable knowledge and expertise regarding the Company's businesses. In addition, the Board believes that the role of the Lead Director is structured with sufficient authority to serve as a counter-balance to management.

Lead Director Duties and Responsibilities	
■ presiding over all meetings of the Board at which the Chairman is not present, including executive sessions of the Non-Executive Directors and the independent Directors	■ calling meetings of the Non-Executive Directors and/or independent Directors, if desired
■ communicating to the Chairman feedback from executive sessions as appropriate	■ participating in the Compensation Committee's evaluation of the performance of the CEO
■ serving as liaison between the Chairman and the independent Directors	■ supervising the self-evaluations of the Directors in coordination with the Nominating and Corporate Governance Committee

■ approving meeting schedules to assure that there is sufficient time for discussion of all agenda items	

CORPORATE GOVERNANCE MATTERS

Peter L. Barnes has served as Lead Director since June 2013. In recognition of his strong leadership and skills, the independent members of the Board re-elected Mr. Barnes as Lead Director in August 2016 for a term of one year. In fiscal 2016, Mr. Barnes performed duties beyond the required duties set forth above, which included:

- attending meetings of the Nominating and Corporate Governance Committee, of which Mr. Barnes is not a member;
- regularly consulting with other independent Directors between meetings;
- regularly meeting with senior management, including to report feedback from the independent Directors; and

- meeting in person and telephonically with a significant number of unaffiliated holders of both Class A Common Stock and Class B Common Stock, and reporting feedback from these stockholders to the full Board.

The Board reviews its leadership structure at least annually, taking into account the responsibilities of the leadership positions and the Directors qualified to hold such positions. In conducting this review, the Board considers, among other things: (i) our policies and practices that provide independent Board oversight, (ii) the effect a particular leadership structure may have on Company performance, (iii) the structure that serves the best interests of our stockholders, and (iv) any relevant legislative or regulatory developments.

Independence

The Board has determined that all of the members of the Nominating and Corporate Governance Committee are independent (in accordance with SEC rules and NASDAQ listing rules for directors).

Director Attendance

Our *Statement of Corporate Governance* provides that Directors are expected to attend meetings of the Board and meetings of the Board committees on which they serve. During fiscal 2016, the Board held six meetings. Each of our current Directors attended at least 75% of the aggregate number of meetings of the Board and the committees on which he or she

served (held during the period that he or she served).

Directors are also encouraged to attend and participate in the Company's annual meeting of stockholders. Nine of the then serving Directors attended the annual meeting of stockholders held by the Company in October 2015.

Board's Role in Strategy

Our Board sets the strategic vision for the Company. As part of this process, the Board reviews the Company's long-term strategic plan at least annually

and monitors implementation of the strategic plan throughout the year. The Board generally discusses strategy at every regular meeting.

Board Oversight of Risk

Risk management is primarily the responsibility of management; however, the Board oversees management's identification and management of risks to the Company. The Board does not view risk in

isolation; it considers risks in making significant business decisions and as part of the Company's overall business strategy. The Board uses various means to fulfill this oversight responsibility. The

Board, and its committees, as appropriate, regularly discuss and receive periodic updates from the CEO, CFO, General Counsel and other members of senior management regarding significant risks to the Company, including in connection with the annual review of the Company's business plan and its review of budgets, strategy and major transactions. These discussions include operational, strategic, legal and regulatory, financial and reputational risks, and the plans to address these risks.

Each of the Board's standing committees assists the Board in overseeing the management of the Company's risks within the areas delegated to that committee, which then reports to the full Board as appropriate. In particular:

- the Audit Committee oversees risks relating to its review of the Company's financial

statements and financial reporting processes, and its oversight of the Company's Compliance Steering Committee;

- the Compensation Committee monitors risks associated with the design and administration of the Company's compensation programs; and
- the Nominating and Corporate Governance Committee oversees risk as it relates to the Company's corporate governance processes.

Each standing committee has full access to management, as well as the ability to engage advisors.

Related Party Transactions Policy

Procedures for Approval of Related Party Transactions

The Audit Committee has established written procedures for the review, approval or ratification of related party transactions. Pursuant to these procedures, the Audit Committee reviews and approves or ratifies, as appropriate, (i) all transactions between the Company and any of its executive officers, Directors, Director nominees or Directors emeritus, (ii) all transactions between the Company and any security holder who is known by the Company to own of record or beneficially more than five percent of the Company and (iii) all transactions between the Company and any person who is an immediate family member of an executive officer, Director, Director nominee or a security holder described in the foregoing clause (ii), other than, in each of clauses (i) through (iii) above, (a) transactions that are made in the ordinary course of business and have an aggregate dollar amount or value of less than \$120,000 (either individually or in combination with a series of related transactions) and (b) transactions that are available to all employees generally.

During fiscal 2016, all of the transactions described in this section that were subject to the Audit Committee's policies and procedures were reviewed and approved or ratified by the Audit Committee or the Board.

Pitofsky, the Company's General Counsel, is a partner. Ms. Keating received approximately \$10,000 of such amount. Pursuant to existing arrangements, Union Literary is expected to receive future payments from HarperCollins of less than \$150,000, of which amount Ms. Keating is expected to receive approximately \$20,000.

CEO Succession Planning

Our *Statement of Corporate Governance* provides that the Board will annually review CEO succession. The Compensation Committee, in consultation with the CEO, reviews and assists with the development of executive succession plans. The CEO provides the

Compensation Committee with an assessment of members of senior management and their succession potential. The Compensation Committee reports the results of these assessments to the Board.

Annual Board and Committee Evaluations

The Lead Director and the Nominating and Corporate Governance Committee are responsible for overseeing an annual self-evaluation process for the Board that includes an assessment, among other things, of the Board's maintenance and implementation of the Company's standards of conduct and corporate governance policies. The review seeks to identify specific areas, if any, in need of improvement or strengthening and culminates in a discussion by the full Board of the results and any actions to be taken. Each standing committee of the Board evaluates its performance on an annual basis and reports to the Board on such evaluation.

Over the past year, each Director completed a written questionnaire on topics including Board composition and structure, Board and committee responsibilities and effectiveness, Director engagement and performance, and Board meetings and resources. The results were discussed by the full Board, with management, and in an executive session of the independent Directors. In addition, each committee conducted its own self-evaluation and reported on the same to the full Board.

Director Nomination Process

The Nominating and Corporate Governance Committee develops criteria for filling vacant Board positions, taking into consideration such factors as it deems appropriate, including the candidate's:

- education and background;
- leadership and ability to exercise sound judgment;
- general business experience and familiarity with the Company's businesses; and
- unique expertise or perspective that will be of value to the Company.

Candidates should not have any interests that would materially impair their ability to exercise independent

judgment or otherwise discharge the fiduciary duties of our Directors. All candidates must possess personal integrity and ethical character, and value and appreciate these qualities in others. It is expected that each Director will devote the necessary time to fulfill the duties of a Director. In this regard, the Nominating and Corporate Governance Committee will consider the number and nature of each Director's other commitments, including other directorships.

Although the Board does not have a formal policy with respect to diversity in identifying Director nominees, the Nominating and Corporate Governance Committee seeks to promote through the nomination process an appropriate diversity on

the Board of professional background, experience, expertise, perspective, age, gender, ethnicity and country of citizenship, and assess the effectiveness of these factors in the Director selection and nomination process. The current composition of the Board reflects those efforts and the importance of diversity to the Board. The Company also maintains a *Corporate Diversity Statement*, which describes our diversity and inclusion objectives and efforts. The *Corporate Diversity Statement* is available on the

Company's website at newscorp.com under "About Us—Corporate Governance—Corporate Diversity Statement."

After completing its evaluation of a potential Director nominee, the Nominating and Corporate Governance Committee will make a recommendation to the full Board, which makes the final determination whether to nominate or appoint the Director nominee.

Stockholder Recommendation of Director Candidates

Stockholders may recommend Director candidates for consideration by the Nominating and Corporate Governance Committee by submitting their names and appropriate background and biographical information in writing to the attention of the Corporate Secretary at News Corporation, 1211 Avenue of the Americas, New York, New York 10036. Director candidates recommended by stockholders should meet the Director qualifications set forth under the heading "Board Membership Criteria" in the *Statement of Corporate Governance*. Director

candidates recommended by stockholders who meet these Director qualifications will be considered by the Chair of the Nominating and Corporate Governance Committee, who will present the information on the candidate to the entire Nominating and Corporate Governance Committee. All Director candidates recommended by stockholders will be considered by the Nominating and Corporate Governance Committee in the same manner as any other candidate.

Communicating with the Board

Stockholders and other persons interested in communicating with any Director, any committee of the Board or the Board as a whole may do so by submitting such communication in writing and sending it by mail to the attention of the appropriate party or to the attention of our Lead Director, Mr. Peter L. Barnes, at News Corporation, 1211 Avenue of the Americas, New York, New York 10036 or by email to Peter.Barnes@newscorp.com.

Pursuant to the process established by the Nominating and Corporate Governance Committee for handling all communications received by the Company and addressed to the Board, the Corporate

Secretary reviews and forwards such communications as appropriate. Certain items that are unrelated to the duties and responsibilities of the Board will not be forwarded such as: business solicitation or advertisements; product-related inquiries; junk mail or mass mailings; resumes or other job-related inquiries; spam and unduly hostile, threatening, potentially illegal or similarly unsuitable communications. Concerns relating to accounting, internal controls or auditing matters are immediately brought to the attention of the Company's internal audit department and handled in accordance with the procedures established by the Audit Committee with respect to such matters.

DIRECTOR COMPENSATION

Directors' fees are not paid to Directors who are executives or employees of the Company (collectively, the "Executive Directors") because the responsibilities of Board membership are considered in determining compensation paid as part of the Executive Directors' normal employment conditions.

The basic fees payable to the Directors who are not executives of the Company (collectively, the "Non-Executive Directors") are reviewed and recommended by the Compensation Committee and set by the Board. The Compensation Committee periodically reviews Director compensation against that of the Company's peers and other comparably sized companies of the Standard & Poor's 500 ("S&P 500"). In such review, the Compensation Committee considers the appropriateness of the form and amount of Director compensation and makes recommendations to the Board concerning Director compensation with a view toward attracting and retaining qualified Directors. The Company believes that compensation for Non-Executive Directors should be competitive and fairly reflect the work and skills required for a company of News Corporation's size and complexity. The Company also believes that Non-Executive Director compensation should include equity-based compensation in order to further align Directors' interests with the long-term interests of stockholders.

During fiscal 2016, the Non-Executive Directors were Mmes. Bancroft, Chao and Pessoa and Messrs. L.K. Murdoch, Aznar, Barnes, Elkann, Klein (beginning with the third quarter of fiscal 2016), J.R. Murdoch and Siddiqui. The annual retainers paid to Non-Executive Directors for service on the Board and its committees in fiscal 2016 and to be paid in fiscal 2017 are set forth in the table below.

Annual Deferred Stock Unit ("DSU") Retainer	\$145,000

The number of DSUs awarded each DSU Grant Date is based on the closing price of the Company's Class A Common Stock on such DSU Grant Date. DSUs will vest upon the earlier of (i) the July 1, October 1, January 1 or April 1 closest to the fifth anniversary of the DSU Grant Date (or the first trading day following such date) and (ii) the date of the Director's end of service (or the first trading day following such date) (each, a "DSU Vest Date"), at which time DSUs will be payable in cash based on the closing price of the Company's Class A Common Stock on such DSU Vest Date. In June 2016, the Compensation Committee determined to grant dividend equivalents on DSUs, beginning with the fiscal 2017 Annual DSU Retainer, in order to further align the Non-Executive Directors' compensation with total return to stockholders. Such dividend equivalents will be represented by additional DSUs and will be payable when the underlying award vests.

In addition, all Non-Executive Directors are reimbursed for reasonable travel and other out-of-pocket business expenses incurred in connection with attendance at meetings of the Board and its committees. We may invite the spouse or family members of each Non-Executive Director to attend events associated with Board meetings or other Company-related events. To the extent costs for these activities and costs for any other personal benefits for a Director exceeds \$10,000 for the year, they are included in the amounts in the table below.

The table below shows the total compensation paid during fiscal 2016 by the Company to each of the Directors who served during fiscal 2016 and who are not NEOs. - (a) DSU Grant Dates occur July 1, October 1, January 1 and April 1 of each year (or the first trading day following such date). As the Company maintains a 52-53-week fiscal year ending on the Sunday nearest to June 30, each fiscal year may include three, four or five DSU Grant Dates. Fiscal 2016 was a 53-week period, which resulted in our Non-Executive Directors receiving five quarterly DSU grants during the fiscal year on July 1, 2015, October 1, 2015, January 4, 2016, April 1, 2016 and July 1, 2016. The amounts set forth in the "Stock Awards" column represent the aggregate grant date fair value of stock awards granted during the fiscal year ended June 30, 2016 calculated in accordance with Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 718. For Mr. Klein, this amount also includes the grant date fair value for the fiscal 2016-2018 PSU Award (as defined herein). At the maximum level of performance, the grant date fair value of Mr. Klein's fiscal 2016-2018 PSU Award would be \$2,191,949. The aggregate number of equity awards outstanding as of fiscal year end for each Director appears in the table on the following page.
- (b) Unless otherwise specified as to a Director, "All Other Compensation" represents Director's guest travel costs in connection with Board meetings outside the United States.
- (c) Represents amounts reimbursed to Mr. L.K. Murdoch, Co-Chairman of the Company, for certain security expenses provided to Mr. L.K. Murdoch. These services are incremental to security arrangements provided at News Corporation business facilities. The Compensation Committee has approved these expenses as reasonable, necessary and for the Company's benefit.
- (d) Mr. Elkann resigned from the Board effective September 30, 2016.
- (e) Represents the portion of the Annual Cash Retainer paid in respect of Mr. Klein's partial-year service as a Non-Executive Director.
- (f) Represents (i) stock awards in the amount of \$1,095,975 granted to Mr. Klein for his partial-year service as an Executive Vice President, Office of the Chairman and Chief Executive Officer of Amplify and (ii) DSUs in the amount of \$108,750 in respect of his partial year service as a Non-Executive Director.
- (g) "All Other Compensation" includes the following amounts paid to Mr. Klein in respect of his partial-year service as Chief Executive Officer of Amplify and Executive Vice President, Office of the Chairman: (i) a pro-rated annual salary of \$1,030,769 paid for fiscal 2016; (ii) a pro-rated annual bonus for fiscal 2016 of \$750,000; (iii) a pro-rated car allowance of \$7,034; (iv) contributions of \$2,962 made by the Company to a 401(k) savings plan for the benefit of Mr. Klein; (v) contributions of \$55,000 made by the Company to the Restoration Plan (defined herein) for the benefit of Mr. Klein; and (vi) contributions of \$9,195 made by the Company in respect of medical, dental and vision plans for the benefit of Mr. Klein. "All Other Compensation" also includes Director's guest travel costs of \$26,442 in connection with Board meetings outside the United States.

Stock Ownership Guidelines for Non-Executive Directors

In fiscal 2016, the Board adopted modified stock ownership guidelines which require Non-Executive Directors to own equity securities of the Company (including DSUs, stock appreciation rights ("SARs") and restricted stock units ("RSUs")) equal in value to at least five times the amount of the Non-Executive Director's annual cash retainer for service on the Board, representing an increase from the previous requirement of three times the annual cash retainer. Each Non-Executive Director will have five years from his or her first election to the Board to comply with these guidelines. All incumbent Non-Executive Directors currently comply or are on track to comply with the stock ownership guidelines.

The following table sets forth information with respect to the aggregate outstanding equity awards at the end of fiscal 2016 of each of the Directors who served during fiscal 2016 and who are not NEOs, which include cash-settled DSUs and, with respect to Mr. Klein, unvested PSUs.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Ernst & Young LLP ("E&Y") as the Company's independent registered public accounting firm to audit the books and accounts of the Company for the fiscal year ending June 30, 2017. E&Y has audited the books and records of the Company since its formation. In order to provide for continuing auditor independence, the Audit Committee periodically considers whether there should be a regular rotation of our independent registered public accounting firm. Further, in connection with the mandated rotation of our independent registered public accounting firm's lead engagement partner, the Audit Committee is directly involved in the periodic selection of E&Y's lead engagement partner.

The Audit Committee believes that the continued retention of E&Y is in the best interests of the Company and its stockholders, and is submitting the appointment of E&Y to the stockholders for ratification as a matter of good corporate governance. If this appointment is not ratified by our stockholders, the Audit Committee will reconsider its decision. A representative of E&Y is expected to be present at the Annual Meeting. He or she will have an opportunity to make a statement and will be available to respond to appropriate questions.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has established policies and procedures under which all audit and non-audit services performed by the Company's independent registered public accounting firm must be approved in advance by the Audit Committee. The Audit Committee's policy provides for pre-approval of audit, audit-related, tax and certain other services specifically described by the Audit Committee on an annual basis. In addition, individual engagements anticipated to exceed pre-established thresholds, as well as certain other services, must be separately approved. The policy also provides that the Audit Committee can delegate pre-approval authority to any member of the Audit Committee provided that the decision to pre-approve is communicated to the

full Audit Committee at its next meeting. The Audit Committee has delegated this responsibility to the Chair of the Audit Committee. Management has also implemented internal procedures to ensure compliance with this policy. As required by the Sarbanes-Oxley Act, all audit and non-audit services provided in the fiscal years ended June 30, 2016 and June 30, 2015 have been pre-approved by the Audit Committee in accordance with these policies and procedures. The Audit Committee also reviewed the non-audit services provided by E&Y during the fiscal years ended June 30, 2016 and June 30, 2015, and determined that the provision of such non-audit services was compatible with maintaining the auditor's independence.

REPORT OF THE AUDIT COMMITTEE

The following Report of the Audit Committee shall not be deemed to be soliciting material or to be filed with the SEC under the Securities Act of 1933, as amended, or the Exchange Act or incorporated by reference in any document so filed.

In accordance with its written charter, the Audit Committee assists the Board in its oversight of (i) the integrity of the Company's financial statements and the Company's financial reporting processes and systems of internal control, (ii) the qualifications, independence and performance of the Company's independent registered public accounting firm and the performance of the Company's corporate auditors and corporate audit function, (iii) the Company's compliance with legal and regulatory requirements involving financial, accounting and internal control matters, (iv) investigations into complaints concerning financial matters, (v) risks that may have a significant impact on the Company's financial statements, (vi) oversight of the Company's ongoing Anti-Corruption Compliance Program and activities of the Company's Compliance Steering Committee and (vii) the review, approval and ratification of transactions with related parties. The Audit Committee provides an avenue of communication among management, the independent registered public accounting firm, the corporate auditors and the Board. Management has the primary responsibility for the preparation of the Company's financial statements and the reporting process, including the system of internal control over financial reporting. The independent registered public accounting firm has the responsibility for the audit of those financial statements and internal control over financial reporting. The Audit Committee's responsibility is to monitor and oversee these processes.

In discharging its oversight responsibility as to the audit process, the Audit Committee (i) obtained from the independent registered public accounting firm a formal written statement describing all relationships between the independent registered public accounting firm and the Company that might bear on the independent registered public accounting firm's independence and affirming its independence consistent with applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the

Audit Committee concerning independence, (ii) discussed with the independent registered public accounting firm, which documented the discussion, any relationships that may impact the firm's objectivity and independence, and (iii) considered whether the non-audit services provided to the Company by E&Y are compatible with maintaining the accountant's independence. The Audit Committee reviewed with both the independent registered public accounting firm and the corporate auditors their identification of audit risks, audit plans and audit scope. The Audit Committee discussed with management, the independent registered public accounting firm and the corporate auditors the corporate audit function's organization, responsibilities, budget and staffing.

The Audit Committee also discussed and reviewed with the independent registered public accounting firm all communications required by generally accepted auditing standards, including those described in Auditing Standard No. 16, "Communication with Audit Committees," as adopted by the Public Company Accounting Oversight Board. The Audit Committee met with each of the independent registered public accounting firm and the corporate auditors, both with management present and in private sessions without management present, to discuss and review the results of the independent registered public accounting firm's audit of the financial statements, including the independent registered public accounting firm's evaluation of the accounting principles, practices and judgments applied by management, the results of the corporate audit activities and the quality and adequacy of the Company's internal controls.

The Audit Committee discussed the interim financial information contained in each of the quarterly earnings announcements with Company management and the independent registered public accounting firm. The Audit Committee also reviewed the audited financial statements of the Company as of and for the fiscal year ended June 30, 2016 with management and the independent registered public accounting firm.

At its meetings every quarter, the Audit Committee met with members of management, the independent registered public accounting firm and the corporate

REPORT OF THE AUDIT COMMITTEE

auditors to review the fiscal 2016 certifications provided by the Chief Executive Officer and the Chief Financial Officer under the Sarbanes-Oxley Act, the respective rules and regulations of the SEC and the overall certification process. At these meetings, management reviewed with the Audit Committee each of the Sarbanes-Oxley Act certification requirements including whether there were any (i) significant deficiencies or material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the Company's ability to record, process, summarize and report financial information, and (ii) any fraud, whether or not material, involving management or other employees who have a significant role in the Company's internal control over financial reporting.

The Audit Committee received reports from the Company's General Counsel and Chief Compliance Officer and Corporate Audit regarding the Company's policies, processes and procedures relating to

compliance with News Corporation Global Anti-Bribery and Anti-Corruption Policy and activities of the Company's Compliance Steering Committee.

Based on the above-mentioned review and discussions with management, the independent registered public accounting firm and the corporate auditors, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended June 30, 2016, for filing with the SEC. The Audit Committee also appointed E&Y as the Company's independent registered public accounting firm, and the Board concurred in such appointment.

PROPOSAL NO. 3

ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Section 14A of the Exchange Act require that the Company provide our stockholders with the opportunity to approve, on an advisory, nonbinding basis, the compensation of our NEOs as disclosed in this proxy statement in accordance with the rules of the SEC.

As described in detail in the “Compensation Discussion and Analysis,” the Compensation Committee seeks to closely align the interests of our NEOs with the interests of the Company’s stockholders. The Company’s executive compensation program is designed to drive Company performance, ensure our compensation practices support growth for stockholders, and attract, retain and motivate the top executive talent necessary for the Company’s success. The compensation framework designed by the Company emphasizes a pay for performance model, a focus on long-term growth and diversified performance metrics. The Compensation Committee believes that our compensation framework effectively aligns pay with individual and Company performance as further described on page 31 under the heading “Aligning Compensation with Company Performance.” In addition, as described on page 34 under the heading “Fiscal 2016 Pay Mix,” the compensation framework places a significant majority of the Executive Chairman’s, CEO’s, CFO’s and General Counsel’s total direct compensation “at-risk” and dependent upon performance, with a significant portion of total direct compensation tied to the Company’s long-term results and future stock price performance. The Company has also implemented a number of executive compensation practices, as described on

page 31, which the Compensation Committee considers to be effective at driving performance and supporting long-term growth for our stockholders.

The Board recommends that stockholders indicate their support for the Company’s compensation of its NEOs. The vote on this resolution, commonly known as a “say on pay” resolution, is not intended to address any specific element of compensation but rather the overall NEO compensation program as described in this proxy statement. Although this vote is advisory and not binding on the Company or the Board, the Compensation Committee, which is responsible for developing and administering the Company’s executive compensation philosophy and program, will consider the results as part of its ongoing review of the Company’s executive compensation program.

Accordingly, we ask our stockholders to vote on the following resolution:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the Company’s named executive officers, as disclosed in the Company’s proxy statement for the 2016 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosure.”

The Board of Directors has adopted a policy providing for annual “say-on-pay” advisory votes. Unless the Board of Directors modifies its policy on the frequency of holding “say-on-pay” advisory votes, the next “say-on-pay” advisory vote will occur in 2017.

THE BOARD UNANIMOUSLY RECOMMENDS AN ADVISORY VOTE “FOR” THE APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS.

Executive Summary

Compensation Philosophy

The Compensation Committee has established a compensation program that seeks to support the creation of long-term growth and value for our stockholders through three key objectives:

Drive Company Performance	■ Program emphasizes variable, performance-based compensation ■ Balance of short- and long-term "at-risk" compensation elements designed to reward superior performance without encouraging unnecessary and excessive risk-taking
Align Pay with Performance	■ Performance-related compensation opportunities designed to reward executives based on Company and individual performance ■ Executives receive target payouts of incentive compensation only upon achievement of rigorous performance metrics
Attract, Retain and Motivate Leadership Talent	■ Competitive program designed to enable the Company to attract the highest quality talent ■ Program considers compensation practices and trends in relevant industries

Stockholder Engagement Informed Recent Enhancements to the Executive Compensation Program

The Company carefully considers feedback from our stockholders regarding our executive compensation program. In fiscal 2016, the independent Directors determined to expand the Company's engagement program to include a specific focus on corporate governance matters, including executive compensation. During fiscal 2016, our Board and our senior management engaged with unaffiliated stockholders representing over 35% of the outstanding Class B Common Stock and approximately 60% of the outstanding Class A Common Stock. Our independent Lead Director, who is a member of the Compensation Committee, directly participated, in person or by telephone, in

engagement with unaffiliated stockholders representing approximately 35% of the outstanding Class B Common Stock and over 20% of the outstanding Class A Common Stock. Feedback from this engagement was reported to the Compensation Committee and incorporated into their decision-making. For more detail on the Company's active stockholder outreach program, please refer to "Corporate Governance Matters—Stockholder Engagement." Stockholders are invited to express their views to the Compensation Committee through the procedures described under "Corporate Governance Matters—Communicating with the Board."

The annual advisory vote on the compensation of the NEOs also provides stockholders with an opportunity to communicate their views on our executive

COMPENSATION DISCUSSION AND ANALYSIS

compensation program. At our 2015 annual meeting of stockholders, stockholders continued their support of our executive compensation program with approximately 78% of the votes cast in favor of our advisory proposal to approve the compensation of our NEOs. Upon consideration of such vote results, along with additional feedback from engagement with stockholders, among other considerations, the Compensation Committee determined to maintain the general structure of our executive compensation program but to implement several enhancements to further align executives' interests with those of our stockholders. Enhancements made to our executive compensation program and policies over the past year include:

- Increasing the percentage of CEO, CFO and General Counsel "at-risk" pay;
- Providing greater transparency with respect to performance metrics, including through disclosure of threshold and maximum levels for targets in connection with the payout of long-term incentive awards;
- Increasing the stock ownership requirement for the CEO from three to five times his base salary and for the CFO from one-and-a-half to two times his base salary;
- Implementing a policy prohibiting executive officers and Directors from pledging Company shares held directly by them or that have been received as equity compensation;
- Using a modified peer group to better reflect the Company's competitive landscape;
- Updating the Compensation Committee Charter to clarify certain of the Compensation Committee's responsibilities, including overseeing engagement with stockholders on executive compensation matters and reviewing and approving clawback policies; and
- Implementing the expanded corporate governance-focused stockholder engagement program described above.

Total Direct Compensation

The following table presents the total direct compensation ("TDC") awarded to Messrs. K.R. Murdoch, Thomson, Singh and Pitofsky for fiscal 2016. TDC differs from the amounts reported in the Summary Compensation Table as required by the SEC, and reflects the amounts the Compensation Committee considers most relevant in assessing and determining executive compensation for the fiscal year. TDC is comprised of each NEO's annual base salary, target performance-based annual cash incentive ("Annual Cash Incentive") and target grant value of long-term performance-based equity awards granted under our 2013 Long-Term Incentive Plan, as amended ("LTIP"), in the form of performance stock units, or PSUs.

Named Executive Officer	Base Salary	Target Annual Cash Incentive	Target Long-Term Incentive Award	Total Direct Compensation	% of Total Direct Compensation Pay "At-Risk"
K. Rupert Murdoch	\$1,000,000	\$2,000,000	\$2,000,000	\$5,000,000	80%
Robert J. Thomson	\$2,000,000	\$3,000,000	\$4,900,000	\$9,900,000	80%
Bedi Ajay Singh	\$1,200,000	\$1,500,000	\$1,700,000	\$4,400,000	73%
David B. Pitofsky	\$ 950,000	\$ 750,000	\$ 600,000	\$2,300,000	59%

NEO Compensation Program Practices

The table below highlights our current executive compensation practices, including practices we engage in because we believe they drive performance and those we do not engage in because they are inconsistent with our stockholders' long-term interests:

What We Do
■ Majority of compensation “at-risk” — the performance-based, variable pay portion of fiscal 2016 TDC was 80% for the Executive Chairman, 80% for the CEO, 73% for the CFO and 59% for the General Counsel ■ Use of multiple performance metrics — Annual Cash Incentive and long-term incentive awards for NEOs rely on diversified performance metrics that incentivize and reward the achievement of multi-dimensional aspects of our operational and long-term business strategy ■ Payouts of NEO incentive compensation are subject to achievement of rigorous performance metrics ■ Caps on payouts of Annual Cash Incentive and long-term incentive awards ■ Performance on ethics and compliance objectives impacts payout of qualitative portion of Annual Cash Incentive awards ■ Clawback policies provide for recoupment, under certain circumstances, of performance-based cash and equity compensation ■ Stock ownership guidelines for the CEO, CFO, General Counsel and Non-Executive Directors ■ Annual compensation risk assessment ■ Independent compensation consultant that provides no other services to the Company ■ Regular stockholder feedback through annual say-on-pay vote and robust ongoing engagement program on corporate governance matters, including executive compensation
What We Do Not Do
■ No “single trigger” cash severance or automatic vesting of equity awards based solely upon a change in control of the Company ■ NEO employment agreements do not contain provisions relating to a change in control ■ No excise tax gross-ups or tax gross-ups on NEO perquisites ■ No hedging of Company stock by Directors and NEOs ■ No pledging of Company stock owned directly by Directors and NEOs ■ No re-pricing of stock options or SARs without stockholder approval ■ No payment of dividend equivalents unless and until underlying performance-based awards are earned ■ No excessive NEO perquisites ■ No guaranteed bonuses ■ Do not maintain compensation programs that create risks reasonably likely to have a material adverse effect on the Company

Aligning Compensation with Company Performance

The Compensation Committee is responsible for the oversight of the Company's executive compensation framework, and within that framework, aligning compensation with Company performance and providing incentives that reward sustained value creation and responsible risk-taking.

For the fiscal 2016 Annual Cash Incentive, the Compensation Committee set the midpoint of its target range for adjusted Total Segment EBITDA at \$944 million and the Company achieved \$898.9 million, resulting in a 100% payout of the quantitative portion of the award. The Compensation Committee also determined payouts of the qualitative portions of the fiscal 2016 Annual Cash Incentive for each NEO in light of his achievements and contributions during

fiscal 2016. For more information, please see “—Named Executive Officer Compensation—Fiscal 2016 Annual Cash Incentive.”

For the fiscal 2014-2016 PSU Award and the Launch Performance Awards, one-time grants of PSUs in connection with the completion of the separation of the Company's businesses from its former parent company, 21st Century Fox, in June 2013 (the “Separation”), the Compensation Committee set the midpoints of its target range for cumulative earnings per share (“EPS”) and average annual adjusted free cash flow (“FCF”) growth at \$2.12 and 18.4%, respectively, and the target for relative total shareholder return (“TSR”) at the 50th percentile. The Company achieved \$1.96, 17.7% and the 12th percentile, respectively, resulting in an 80% payout of the awards. For more information, please see “—Named Executive Officer Compensation—Payout of Fiscal 2014-2016 PSU Award and Launch Performance Awards.”

COMPENSATION DISCUSSION AND ANALYSIS

Fiscal 2016 performance highlights include:

- Fiscal 2016 revenues of \$8.3 billion decreased 3% compared to the prior year, primarily due to the negative impact from foreign currency fluctuations and lower advertising revenues at the News and Information Services segment, partially offset by growth in the Digital Real Estate Services segment.
- Income from continuing operations was \$235 million for fiscal 2016 as compared to \$367 million in the prior year. The Company reported full year Total Segment EBITDA* of \$684 million, which includes the impact of a one-time charge of \$280 million for the settlement of litigation and related claims involving the Company's News America Marketing division and a one-time gain of \$122 million for the settlement of litigation between Move, in which the Company owns an 80% interest, and Zillow, as compared to \$945 million in the prior year. Excluding those settlements, Total Segment EBITDA would have been \$842 million.
- The Company reported fiscal 2016 net cash provided by continuing operating activities of \$952 million. The Company reported fiscal 2016 free cash flow available to News Corporation* of \$610 million compared to \$595 million in the prior year.
- Digital Real Estate Services segment revenues grew 32% compared to the prior year.
- REA Group, in which the Company holds a 61.6% interest, continued to strengthen its business in the Australian market. The company had another record year in reported revenues and profitability, which included in February 2016 increasing its investment in iProperty, which operates leading property sites throughout Southeast Asia, from 22.7% to approximately 86.9%.
- With a refurbished reputation, increased marketing and innovative products, Move and realtor.com® attracted record audiences, and advertising, thanks to the freshest listings, unique content and tools that benefit both realtors and consumers. Traffic to realtor.com®-related sites grew to a record 53 million unique users in the fourth quarter.
- HarperCollins ended the year strongly with success from Harper Lee's *Go Set a Watchman*, Daniel Silva's *The English Spy*, a book by Anderson Cooper and his mother, Gloria Vanderbilt, and, in the U.K., titles by David Walliams, a leading author of children's fiction.
- The Company continued to aggressively transition our news mastheads to digital, while reducing costs across all regions. In the fourth quarter, digital revenues, led by Dow Jones, represented 23% of News and Information Services segment revenues, compared to 19% in the prior year.
- FOX SPORTS Australia had record ratings this year, driven by the extremely popular National Rugby League, the Australian Football League and V8 Super Cars.
- Foxtel, under new leadership, drove higher subscriber volume, which is a priority for the business. The network had more than 2.9 million total subscribers at the end of the fiscal year.
- In September 2015, the Company acquired Unruly, a leading global video distribution platform that is focused on delivering branded video advertising across websites and mobile devices.
- On June 30, 2016, the Company announced that it had agreed to acquire Wireless Group, which operates TalkSPORT, the leading sports radio network in the U.K., and a portfolio of radio stations in the U.K. and Ireland. Renewal of Employment Agreements

As previously disclosed, during fiscal 2016, the Company entered into amended and restated employment agreements with each of Messrs. Thomson and Singh, extending their terms of employment from June 30, 2016 until June 30, 2019. The Compensation Committee believes that Messrs. Thomson's and Singh's respective achievements from the Separation to date, some of which are described in the table entitled "Fiscal 2016 Achievements and Contributions" under "—Named Executive Officer Compensation—Fiscal 2016 Annual Cash Incentive" below, have demonstrated each executive's value to the Company's strategy and long-term success. The Compensation Committee views employment agreements as important tools to attract and retain executive talent and determined the

amendments were appropriate after considering each executive's key role in developing and executing on the Company's strategic objectives along with benchmarking against the Company's fiscal 2016 peer group and feedback from stockholders, among other factors. Consistent with the Compensation Committee's philosophy that our stockholders' interests are best served through alignment with our NEOs' interests, the effect of each amendment is to increase the "at-risk" performance-based portion of annual TDC (assuming base salary, annual bonus target and annual long-term incentive award targets are set at the minimum levels). Further details of these agreements, and agreements with our other NEOs, are set forth under "Executive Compensation—Employment Agreements."

Executive Compensation Practices**How Executive Compensation Decisions Are Made**

In establishing and reviewing NEO compensation packages, the Compensation Committee considers the nature and scope of the NEO's role and responsibilities, leadership and management experience, individual contributions, Company performance, achievement of strategic objectives, information on market compensation levels (as further described below under "—Comparative Market Data and Industry Trends"), taking into account industry and geographic considerations, retention considerations, the terms of each NEO's employment agreement, prior compensation and term of service, internal pay parity and feedback from stockholders through the results of the annual say-on-pay vote and through other engagement.

NEOs do not participate in the Compensation Committee's deliberations or decisions regarding their own compensation. Management, together with the Compensation Committee's independent compensation consultant, assists the Compensation Committee by providing data, analyses and recommendations regarding the Company's executive compensation practices and policies. In addition, the Executive Chairman and CEO present individual pay recommendations to the Compensation Committee for the other NEOs. These recommendations are based on their assessments of individual contributions, achievement of performance objectives and other qualitative factors. The Compensation Committee considers

management's input along with the advice of its independent compensation consultant in making decisions on compensation matters.

Role of the Independent Compensation Consultant

During fiscal 2016, the Compensation Committee retained Frederic W. Cook & Co., Inc. ("FW Cook") as an independent compensation consultant. The role of the compensation consultant is to serve as an objective third-party advisor to the Compensation Committee on compensation arrangements, assessing reasonableness of compensation levels in comparison with those of similarly situated companies and the appropriateness of the compensation program structure in supporting the Company's strategic objectives. The compensation consultant reports directly to the Compensation Committee and the Compensation Committee may replace the compensation consultant, or hire additional consultants, at any time. In fiscal 2016, FW Cook supported the Compensation Committee by (i) attending Compensation Committee meetings, (ii) providing advice on the Company's compensation programs, equity plan designs and compensation governance policies, (iii) preparing and presenting analyses on compensation levels, including competitive assessments of the Company's practices and policies and (iv) assisting the Company in preparing compensation-related materials and disclosure as requested by the Company. FW Cook provided no other services to and received no other fees or compensation from the Company.

In June 2016, the Compensation Committee considered FW Cook's independence and the

COMPENSATION DISCUSSION AND ANALYSIS

existence of potential conflicts of interest with FW Cook, including by considering the factors prescribed by the NASDAQ listing rules and SEC rules. Based on

such evaluation, the Compensation Committee determined that no conflict of interest exists.

Fiscal 2016 Pay Mix

The Compensation Committee designed the fiscal 2016 executive compensation program so that the performance-based pay elements (Annual Cash Incentive and long-term incentive awards) comprised a significant portion of TDC in support of the Compensation Committee's objective to align the NEOs' interests with those of our stockholders.

* Numbers may not sum due to rounding

Base Salary

The Compensation Committee, in conjunction with its compensation consultant, annually reviews the NEOs' base salaries and makes appropriate adjustments subject to the terms of individual employment agreements. The respective employment agreements of Messrs. Thomson, Singh and Pitofsky provide for a minimum base salary.

Base salaries for Messrs. K.R. Murdoch, Thomson, Singh and Pitofsky were not increased in fiscal 2016 and remained at \$1,000,000, \$2,000,000, \$1,200,000 and \$950,000, respectively. Messrs. Thomson's, Singh's and Pitofsky's fiscal 2016 base salaries represented the minimum base salaries provided for in their respective employment agreements.

Performance-Based Incentive Compensation

In order to promote alignment with stockholders' interests, the majority of each NEO's compensation is tied to two performance-based incentive components: the Annual Cash Incentive and long-term incentive awards, which we grant in the form of PSUs. Metric targets for both of these compensation components are set at challenging, yet reasonably achievable, levels each year in order to motivate a high degree of performance and the assumption of

an appropriate amount of risk, while maintaining focus on the Company's long-term growth.

Fiscal 2016 Annual Cash Incentive

In August 2015, the Compensation Committee approved a framework for the Company's fiscal 2016 Annual Cash Incentive. The Compensation Committee believes the Annual Cash Incentive's mix of quantitative and qualitative factors motivates the NEOs to achieve the critical operating goals of the Company's businesses, while also recognizing and rewarding them for individual contributions. Annual Cash Incentive awards are based two-thirds on achievement of target adjusted Total Segment EBITDA,¹ and one-third on a qualitative assessment of individual performance. Adjusted Total Segment EBITDA was selected as the financial performance metric because it reflects the Company's key financial objective for the operations for which the NEOs have direct responsibility. The Compensation Committee also considers, based on a recommendation from the Audit Committee, management's performance on ethics and compliance objectives, and determines whether, based on such performance, any reduction to the qualitative portion of the payout of the Annual Cash Incentive is appropriate and if so, the amount of such reduction.

The Compensation Committee approved the following target and maximum amounts for the fiscal 2016 Annual Cash Incentive:

Named Executive Officer	Fiscal 2016 Annual Cash Incentive	
	Target	Maximum
K. Rupert Murdoch	\$2,000,000	\$4,000,000
Robert J. Thomson	\$3,000,000	\$6,000,000
Bedi Ajay Singh	\$1,500,000	\$3,000,000
David B. Pitofsky	\$ 750,000	\$1,500,000

(1) Consistent with the terms of the Annual Cash Incentive program, the performance factor was adjusted to reflect certain unusual events that occurred during the year. These adjustments can result in either increases or decreases in the performance factor and are intended to ensure that award payments represent the underlying performance of the Company's business and are not artificially inflated or deflated due to unusual events. In fiscal 2016, the adjustments included acquisitions and dispositions of businesses, changes in foreign exchange rates, certain non-recurring or unusual charges and certain litigation expenses. The Compensation Committee reviewed all adjustments to ensure the adjustments are consistent with the Compensation Committee's philosophy on executive pay. For information on Total Segment EBITDA as defined by the Company, please see the Company's Annual Report on Form 10-K for the year ended June 30, 2016 filed with the SEC on August 12, 2016 on pages 48-49.

COMPENSATION DISCUSSION AND ANALYSIS

For fiscal 2016, the Compensation Committee set a target range for adjusted Total Segment EBITDA of \$896.8 million to \$991.2 million based on the Company's annual plan. A target range, rather than a specific goal, is used to address challenges associated with setting performance goals with precision and to avoid unintended windfalls and shortfalls in actual payouts to the NEOs. Performance within the target range generates a payout of 100% for the quantitative portion of the Annual Cash Incentive, with performance that falls between the specified performance range to be interpolated on a linear basis. The Company's actual performance versus the performance curve established by the Compensation Committee is set forth below:

The Compensation Committee also considered each individual NEO's significant and numerous contributions and strong leadership in the development and implementation of the corporate vision, strategy and organizational structure for the Company's businesses. In assessing our NEOs' performance and determining the appropriate award amounts, the Compensation Committee acknowledged the following specific achievements:

Named Executive Officer	Fiscal 2016 Achievements and Contributions
K. Rupert Murdoch Executive Chairman	- Company achieved EBITDA target while reinvesting for future growth - Company exceeded performance in its digital real estate portfolio - Company finished fiscal 2016 with substantial financial flexibility, including the commencement of dividends to shareholders as a result of prudent reinvestment, leading effective cost initiatives across the portfolio and substantial de-risking of the business

COMPENSATION DISCUSSION AND ANALYSIS

Robert J. Thomson Chief Executive Officer	■ Provided exceptional leadership by meeting the Company's annual financial objectives, securing strategic footholds for long-term growth and significantly reducing portfolio risk ■ Company met its fiscal 2016 adjusted Total Segment EBITDA target despite a more challenging macro advertising environment. Of particular note, realtor.com® exceeded annual performance targets despite ongoing investments in product and marketing, and maintained position as fastest growing site in the sector whilst Dow Jones achieved a critical digital transformation milestone - yielding 50% of revenue from its digital assets ■ Capitalized on opportunistic disposition of Amplify which immediately improved free cash flow and overall financial flexibility ■ In coordination with Telstra, secured the Australian Football League and National Rugby League rights delivering a long-term competitive advantage through 2022 for Foxtel and FOX SPORTS Australia ■ Continued to deliver on globalization and digitization strategy through a series of complementary acquisitions that have improved monetization capabilities for the existing brands, and enhanced depth in areas critical to digital transformation such as ad monetization, video, radio, social and data ■ Provided critical oversight and guidance on a complex range of inherited litigation challenges, delivering positive outcomes that substantially reduced financial and reputation risk. David B. Pitofsky General Counsel	■ Led efforts that concluded with decision by UK Crown Prosecution Service not to bring corporate criminal charge based on voicemail interception ■ Directed defense of antitrust class action against News America Marketing, including devising multi-pronged settlement strategy that resulted in favorable resolution ■ Oversaw complex, highly adversarial prosecution of Move trade secret litigation against Zillow et al., which concluded with favorable \$130 million settlement ■ Led continued strengthening of the Company's gold standard compliance program, including expansion of program for antitrust and privacy; no significant compliance incidents or weaknesses reported

COMPENSATION DISCUSSION AND ANALYSIS

To determine the fiscal 2016 Annual Cash Incentive for the NEOs, the Compensation Committee recognized that the Company's adjusted Total Segment EBITDA, for the purposes of this calculation, was approximately \$898.9 million and as a result, 100% of the quantitative portion of the Annual Cash Incentive was achieved. In light of this achievement and the individual accomplishments described above, the Compensation Committee determined to award fiscal 2016 Annual Cash Incentives as set forth below:

Named Executive Officer	Fiscal 2016 Target Annual Cash Incentive	Quantitative Performance			Qualitative Performance			Fiscal 2016 Total Annual Cash Incentive
		66.7% of Target	Multiple	Subtotal A	33.3% of Target	Multiple	Subtotal B	
K.R. Murdoch	\$2,000,000	\$1,333,333	100%	\$1,333,333	\$666,667	120%	\$800,000	\$2,133,333
Robert J. Thomson	\$3,000,000	\$2,000,000	100%	\$2,000,000	\$1,000,000	120%	\$1,200,000	\$3,200,000
Bedi Ajay Singh	\$1,500,000	\$1,000,000	100%	\$1,000,000	\$500,000	100%	\$500,000	\$1,500,000
David B. Pitofsky	\$750,000	\$500,000	100%	\$500,000	\$250,000	200%	\$500,000	\$1,000,000

Fiscal 2016-2018 PSU Award

Beginning in 2013, the Compensation Committee has annually awarded to senior executives long-term performance-based equity awards, granted under the LTIP, consisting of PSUs that cliff vest at the end of a three-year performance measurement period (each such grant, a "PSU Award"). In August 2015, the Compensation Committee approved the grant to senior executives of the fiscal 2016-2018 PSU Award.

If earned, PSUs awarded to: (i) Messrs. Singh and Pitofsky are settled in shares of Class A Common Stock and (ii) Messrs. K.R. Murdoch and Thomson are settled in cash based on the closing stock price of Class A Common Stock on the trading day immediately prior to vesting. Accordingly, all of the NEOs' PSU payouts are fully at risk for both financial performance and stock price performance from the grant date until vesting. PSUs awarded to Messrs. K.R. Murdoch and Thomson are settled in cash rather than stock pursuant to the Company's policy of settling Directors' equity awards in cash to address certain requirements of the Australian Securities Exchange (the "ASX").

At the end of each performance period, the Compensation Committee will compare the actual results of the Company's performance against the targets set by the Compensation Committee and determine the "Final PSU Award" for each NEO, using the following formula:

$$\begin{array}{|c|} \hline \text{PSU} \\ \text{TARGET} \\ \hline \end{array} \times \begin{array}{|c|} \hline \text{PAYOUT MULTIPLIER} \\ \hline 0\%-200\% \text{ of PSU Target based on} \\ \text{Company performance against the three} \\ \text{weighted performance metrics} \\ \hline \end{array} = \begin{array}{|c|} \hline \text{FINAL PSU} \\ \text{AWARD} \\ \hline \end{array}$$

Payouts will be determined based on the achievement of the performance goals established by the Compensation Committee at the beginning of the three-year performance period for three performance metrics. The performance metrics and their respective weightings for the fiscal 2016-2018 PSU Award are as follows:

- 40% based on cumulative adjusted EPS;
- 40% based on cumulative annual adjusted FCF; and
- 20% based on the Company's three-year TSR as measured against the three-year TSR of the S&P 500.

At the beginning of each performance period, the Compensation Committee determines the target PSU Award opportunity, expressed as a dollar value (the "PSU Target Value"), for each of the NEOs. The PSU Target Value is converted to a target number of PSUs (the "PSU Target"), which, for the fiscal 2016-2018 PSU Award, was based on the volume-weighted average price of the Company's Class A Common Stock for the last 20 trading days in fiscal 2015.

The PSUs vest on August 15 of the applicable year or the closest business day following August 15 (the “Vest Date”). On the Vest Date, Messrs. K.R. Murdoch and Thomson will each receive, in settlement of his Final PSU Award, a cash payment equal to his Final PSU Award multiplied by the closing price of the Class A Common Stock on the last trading day immediately prior to the Vest Date, net of taxes withheld, subject to the limitations set forth in the LTIP. On the Vest Date, Messrs. Singh and Pitofsky will each receive, in settlement of his Final PSU Award, shares of Class A Common Stock, net of taxes withheld.

For the fiscal 2016-2018 PSU Award, the Compensation Committee approved the following PSU Target Values and corresponding PSU Targets for the NEOs:

Named Executive Officer	Fiscal 2016-2018 PSU Award Opportunity	
	PSU Target Value	PSU Target
K. Rupert Murdoch	\$2,000,000	135,122
Robert J. Thomson	\$4,900,000	331,049
Bedi Ajay Singh	\$1,700,000	114,854
David B. Pitofsky	\$ 600,000	40,536

In June 2016, the Compensation Committee determined to grant dividend equivalents on PSUs, beginning with the fiscal 2017-2019 PSU Award, in order to further align our executive compensation with total return to stockholders. Such dividend equivalents will be represented by additional PSUs, will be subject to the same performance conditions as the underlying award, and will be payable when, and only to the extent that, the underlying award vests.

Payout of Fiscal 2014-2016 PSU Award and Launch Performance Awards

In September 2013, the Compensation Committee approved the grant of the fiscal 2014-2016 PSU Award, the first annual grant of PSUs under the LTIP after the Separation. Also in September 2013, the Compensation Committee approved the Launch Performance Award grants to Messrs. K.R. Murdoch, Thomson and Singh, as well as certain other executives and key employees of the Company. The Launch Performance Awards were one-time grants in recognition of the efforts made by key employees in

connection with the Separation and are not considered part of our regular annual executive compensation program. The Launch Performance Awards have the same performance measurement period, performance metrics and other terms as the fiscal 2014-2016 PSU Award.

The payouts of the fiscal 2014-2016 PSU Award and the Launch Performance Awards were based on the achievement of performance goals established by the Compensation Committee at the time of grant relating to the three-year performance period ending on June 30, 2016. The performance metrics and their respective weightings were as follows:

- 40% based on cumulative adjusted EPS;²
- 40% based on average annual adjusted FCF growth;³ and
- 20% based on the Company’s three-year TSR as measured against the three-year TSR of the S&P 500.

- (2) Consistent with the terms of the fiscal 2014-2016 PSU Award and the Launch Performance Awards, the performance factor was adjusted to reflect certain unusual events that occurred during the year. These adjustments can result in either increases or decreases in the performance factor and are intended to ensure that award payments represent the underlying performance of the Company’s business and are not artificially inflated or deflated due to unusual events. In fiscal 2016, the adjustments included acquisitions and dispositions of businesses, changes in foreign exchange rates, restructuring expenses and payments, certain non-recurring or unusual items and certain litigation expenses. The Compensation Committee reviewed all adjustments to ensure the adjustments are consistent with the Compensation Committee’s philosophy on executive pay.
- (3) Consistent with the terms of the fiscal 2014-2016 PSU Award and the Launch Performance Awards, the performance factor was adjusted to reflect certain unusual events that occurred during the year. These adjustments can result in either increases or decreases in the performance factor and are intended to ensure that award payments represent the underlying performance of the Company’s business and are not artificially inflated or deflated due to unusual events. In fiscal 2016, the adjustments included acquisitions and dispositions of businesses, changes in foreign exchange rates, restructuring expenses and payments, certain non-recurring or unusual items and certain litigation expenses. The Compensation Committee reviewed all adjustments to ensure the adjustments are consistent with the Compensation Committee’s philosophy on executive pay.

COMPENSATION DISCUSSION AND ANALYSIS

In August 2016, the Compensation Committee reviewed the Company's performance against targets for the fiscal 2014-2016 PSU Award and the Launch Performance Awards. Performance within the target range generates a payout of 100% for the cumulative adjusted EPS and average annual adjusted FCF growth metrics, with performance that falls between the specified performance range to be interpolated on a linear basis. The Company's actual performance versus the performance curve established by the Compensation Committee for each metric is set forth below:

Based on such performance, the Compensation Committee determined a final payout multiplier on the fiscal 2014-2016 PSU Awards and the Launch Performance Awards of 80%, as set forth below:

Metric	Metric Weighting	Target (Range)	Achieved	Payout Multiplier
Cumulative Adjusted EPS	40%	\$1.91 – \$2.33	\$1.96	40%
Average Annual Adjusted FCF Growth	40%	16.6% – 20.2%	17.7%	40%
Relative TSR Percentile	20%	50 th	12 th	0%
				80%

The payout multiplier applied to the target number of shares granted resulted in the vesting on August 15, 2016 of the number of shares for each NEO indicated below:

Named Executive Officer	Fiscal 2014-2016 PSU Award and Launch Performance Awards Payout			
	PSU Target		Payout Multiplier	Final PSU Award
	Fiscal 2014-2016 PSU Award	Launch Performance Awards		
K. Rupert Murdoch	129,898	129,898	80%	103,918
Robert J. Thomson	259,797	113,661	80%	207,837
Bedi Ajay Singh	77,939	64,949	80%	62,351
David B. Pitofsky ^(a)	25,979		80%	20,783

(a) Mr. Pitofsky's fiscal 2014-2016 PSU Award was granted prior to his appointment as General Counsel.

Retirement Benefits

Prior to the Separation, Messrs. Thomson and Singh participated in certain U.S.-qualified, U.K.-registered (qualified) and U.K. unfunded nonqualified defined benefit plans, in each case, in connection with services rendered to 21st Century Fox. The liabilities for these benefits have been assumed by the Company, and as of the Separation, there are no further accruals under these arrangements. For additional information on these arrangements, please see the "Pension Benefits Table" and its accompanying footnotes, and "Description of Pension Benefits" below. Mr. K.R. Murdoch continues

to participate in the 21st Century Fox retirement plans following the Separation, and does not participate in News Corp's retirement plans.

The Company provides retirement benefits in the form of a 401(k) plan as well as the NCTransaction, Inc. Restoration Plan (the "Restoration Plan"), a nonqualified unfunded defined contribution retirement plan maintained for the benefit of certain management and other highly compensated employees of the Company, including the CEO, CFO and General Counsel. The Restoration Plan provides participants with retirement benefits which would have become payable under the Company's traditional qualified retirement plans but for

limitations imposed by the Code. For additional information on the Restoration Plan, please see the “Nonqualified Deferred Compensation Table” and its accompanying footnotes, and “Description of Restoration Plan” below.

Perquisites

The NEOs are provided with limited perquisites and other personal benefits that the Compensation Committee feels are reasonable and consistent with

the Company’s overall compensation philosophy. Perquisites constitute a very small percentage of each NEO’s total compensation package.

Messrs. Thomson, Singh and Pitofsky are entitled to the benefits and perquisites available to the Company’s other senior executives. The perquisites received by each NEO in fiscal 2016, as well as their incremental cost to the Company, are reported in the “Summary Compensation Table” and its accompanying footnotes.

Comparative Market Data and Industry Trends

The Compensation Committee considers compensation data and practices of a group of peer companies (the “Peer Group,”) as well as current market trends and practices generally, in developing competitive and appropriate compensation packages for the NEOs. The Compensation Committee believes that, in order to attract and retain top executives with the requisite skills and experience to successfully manage the Company’s businesses, our executives’ compensation packages must be competitive, particularly relative to the Peer Group. The Compensation Committee considers both individual elements of compensation and total compensation of companies in its Peer Group. Given the diverse nature of the Company, which is comprised of businesses in multiple industries and markets, the Compensation Committee believes that strict “benchmarking” against the Peer Group does not provide a broad enough view for establishing executive compensation and it does not set compensation targets for the NEOs at a specific percentile of the Peer Group.

The Compensation Committee, with advice from its compensation consultant, annually reviews the Peer Group and may update its composition to better reflect the Company’s competitive landscape or, if necessary, to account for any corporate changes,

including acquisitions and dispositions. Given the breadth of our business operations globally, it is challenging to find directly comparable companies.

As previously disclosed in the Company’s fiscal 2015 proxy statement, for fiscal 2016, the Compensation Committee, with advice from its compensation consultant, modified the criteria used to determine the Peer Group to better reflect the Company’s competitive landscape. The Company’s Peer Group for fiscal 2016 was designed to generally comprise:

- Companies with significant content production operations, including online/digital, print and television;
- Companies of a similar size, based on revenue and market capitalization – for fiscal 2016, the Peer Group included companies with revenues ranging from \$3.1 to \$18.3 billion and market capitalization ranging from \$103 million to \$40.0 billion;
- Competitors for key executive level talent;
- Companies within the same General Industry Classification Standards (GICS) code as the Company; and
- Companies identified as the Company’s peers by proxy advisory firms.

Fiscal 2016 Peer Group	
■ Cablevision Systems Corporation	■ Liberty Global plc
■ CBS Corporation	■ Netflix, Inc.
■ Charter Communications, Inc.	■ Omnicom Group Inc.
■ Discovery Communications, Inc.	■ Sirius XM Holdings Inc.
■ DISH Network Corporation	■ TEGNA Inc. (formerly Gannett Co., Inc.)
■ iHeartMedia, Inc.	■ Viacom Inc.
■ The Interpublic Group of Companies, Inc.	■ Yahoo! Inc.

In April 2016, the Compensation Committee, with advice from its compensation consultant, reviewed the current Peer Group and determined that it

continues to serve as a reasonable benchmark for executive compensation levels and practices.

Severance Arrangements

Messrs. Thomson, Singh and Pitofsky are each party to a negotiated employment agreement with the Company or a subsidiary of the Company which provides for certain payments and benefits upon his separation from the Company. Mr. K.R. Murdoch is party to a letter agreement that contains termination provisions relating to Annual Cash Incentives and long-term incentive awards. Such employment agreements and their provisions relating to severance arrangements are more fully described in the sections titled “Executive Compensation—Employment Agreements” and “Executive Compensation—Potential Payments Upon Termination.” None of the NEOs’ employment agreements contains provisions that provide benefits

that are triggered in whole or in part solely by a change in control of the Company (*i.e.*, the agreements do not provide automatic single trigger benefits).

The Company believes that providing appropriate severance benefits helps to attract and retain highly qualified executives by mitigating the risks associated with leaving a previous employer and accepting a new position with the Company and by providing income continuity following an unexpected termination. These arrangements also allow the Company to protect its interests through corresponding confidentiality, non-competition and other restrictive covenants in the event of an executive’s termination.

Stock Ownership Guidelines for Executive Officers

The Compensation Committee has adopted stock ownership guidelines for the CEO, CFO and General Counsel, which require each such executive officer to maintain a substantial stake in the Company. In fiscal 2016, we increased the CEO’s stock ownership guideline from three times to five times base salary and the CFO’s stock ownership guideline from one-and-a-half times to two times base salary. The General Counsel’s stock ownership guideline is one

times base salary. The stock ownership guidelines include unvested awards and count both cash-settled and stock-settled awards toward the applicable ownership requirements. Each executive officer will have five years from the later of July 1, 2013 or the date of commencement of the executive officer’s employment in which to comply with the ownership requirement. Each executive officer has achieved his respective requirement.

Clawback Policies

The Board has adopted policies requiring the recoupment of performance-based cash and equity compensation paid to the NEOs in the event of certain financial restatements or of other bonus

compensation in certain other instances. The policies require reimbursement, to the extent permitted by governing law and any employment arrangements entered into prior to the adoption of the policies.

Prohibition on Hedging and Pledging of News Corp Stock

The Company prohibits all Directors and employees, including the NEOs, from engaging in short sales of the Company’s securities and investing in derivative securities, including options, warrants, SARs or similar rights, whose value are derived from the value of the Company’s common stock. This prohibition includes, but is not limited to, trading in Company-based put or call option contracts, trading in straddles and similar instruments designed to

offset the risks of ownership of the Company’s common stock. However, holding and exercising employee stock options, RSUs or other equity-based awards granted under the Company’s equity compensation plans are not prohibited. In fiscal 2016, the Company adopted a policy prohibiting executive officers and Directors from pledging any Company securities that they hold directly or have received as equity compensation.

Compensation Deductibility Policy

In approving compensation arrangements, the Compensation Committee takes into account Section 162(m) of the Code, which generally limits to \$1 million the U.S. federal tax deductibility of compensation paid in one year to the NEOs (other than, pursuant to Internal Revenue Service pronouncements, the CFO). However, the Compensation Committee reserves the flexibility to take actions that may be based on considerations other than tax deductibility pursuant to Section 162(m) of the Code for performance-based compensation. The Compensation Committee believes that stockholder interests are best served by

not restricting the Compensation Committee's discretion and flexibility in crafting compensation programs, even if such programs may result in certain non-deductible compensation expenses. Accordingly, the Compensation Committee may choose to approve components of compensation for certain officers that are not deductible. In addition, the rules and regulations promulgated under Section 162(m) of the Code are complicated and may change from time to time, sometimes with retroactive effect. As a result, even compensation intended to qualify as performance-based compensation under Section 162(m) of the Code may not so qualify.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors has reviewed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K and discussed it with the Company's management. Based on the Compensation Committee's review and discussions with management, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included

in this proxy statement and incorporated by reference into the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2016.

THE COMPENSATION COMMITTEE:

Masroor Siddiqui (Chair)
Natalie Bancroft
Peter L. Barnes

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During fiscal 2016, the Compensation Committee consisted of the following Non-Executive Directors: Masroor Siddiqui (Chair), Peter L. Barnes and Natalie Bancroft. The Board has determined that Ms. Bancroft

and Messrs. Siddiqui and Barnes are independent in accordance with NASDAQ listing rules. There are no interlocking relationships as defined in the applicable SEC rules.

RISKS RELATED TO COMPENSATION POLICIES AND PRACTICES

The Compensation Committee has been delegated the authority to oversee the risk assessment of the compensation policies and practices of the Company and its subsidiaries. At the direction of the Compensation Committee, members of senior management conducted the risk assessment. Such members gathered and reviewed information regarding pay practices and risk-mitigation factors within the Company's principal business units and its corporate division. Following an analysis of the data with the Compensation Committee, the Compensation Committee does not believe there are any risks from the Company's compensation policies

and practices for its employees that are reasonably likely to have a material adverse effect on the Company. In addition, the Company's compensation programs include sufficient risk mitigation features, such as significant management discretion and oversight, a balance of annual and long-term incentives for senior executives, the use of multiple performance metrics which are generally set at the beginning of the performance period, award opportunities that are fixed or capped and recoupment provisions for NEOs' bonus compensation in the event of certain financial restatements or certain other instances.

- (a) The amounts reported in this column represent base salaries paid to each of the NEOs for the applicable fiscal year as provided for in each of their respective employment agreements or compensation arrangements. Fiscal 2016 included 53 weeks, and each of fiscal 2015 and fiscal 2014 included 52 weeks. All of the base salaries were paid in U.S. dollars.
- (b) The amounts set forth in the "Stock Awards" column represent the aggregate grant date fair value of stock awards granted during the applicable fiscal years based on target performance calculated in accordance with FASB ASC Topic 718. At the maximum level of performance, the grant date fair value of the 2016-2018 PSU Awards would be: Mr. K.R. Murdoch—\$4,383,898; Mr. Thomson—\$10,740,554; Mr. Singh—\$3,726,323; and Mr. Pitofsky—\$1,315,150. Please see the "Grants of Plan-Based Awards Table" for more information regarding the stock awards granted in fiscal 2016. For fiscal 2014, the amounts set forth in the "Stock Awards" column reflect the grant date fair value for both the 2014-2016 PSU Award and the Launch Performance Award.
- (c) The values reported in the "Change in Pension Value and Nonqualified Deferred Compensation Earnings" column are theoretical as these amounts are calculated pursuant to SEC requirements and are based on a retirement assumption of age 60 for Mr. Thomson and age 65 for Mr. Singh, and other assumptions used in preparing the Company's Consolidated Financial Statements for the fiscal years ended June 30, 2016, 2015 and 2014. The change in actuarial present value for each NEO's accumulated pension benefits under the applicable Company pension plan(s) from year to year as reported in the Summary Compensation Table is subject to market volatility and may not represent, nor does it affect, the value that a NEO will actually accrue under the Company's pension plans during any given fiscal year. Mr. Thomson's and Mr. Singh's changes in pension value are denominated in British pounds sterling, except for Mr. Singh's NCTransaction, Inc. Pension Plan, which is denominated in U.S. dollars. For those plans denominated in British pounds sterling, amounts reflected in this table have been converted into U.S. dollars using the average exchange rate for the year ended July 3, 2016, which was 1 USD = 0.6751 GBP, as reported on Bloomberg. There were no above-market earnings or preferential earnings on any compensation that was deferred pursuant to a nonqualified deferred compensation plan or on any other basis that is not tax-qualified.

Messrs. Thomson's and Singh's pension and retirement benefits are denominated in British pounds sterling, except for Mr. Singh's NCTransaction, Inc. Pension Plan, which is denominated in U.S. dollars. For those plans denominated in British pounds sterling, amounts reflected in this table have been converted into U.S. dollars using the spot exchange rate as of July 1, 2016, the last business day of fiscal 2016, which was 1 USD = 0.7535 GBP, as reported on Bloomberg.

(c) The present value of Mr. Singh's accumulated benefit at June 30, 2016 under the NCTransaction, Inc. Pension Plan was calculated assuming commencement of benefits at age 65, a discount rate of 3.91% and a mortality assumption of RP-2014 generational table projected with Scale MP-2015 for future improvements.

Description of Pension Benefits

Each of Messrs. Thomson and Singh has pension benefits from Company-sponsored plans that were earned in connection with their employment by 21st Century Fox in periods prior to the Separation. Both Messrs. Thomson and Singh earned pension benefits as described below during their employment with 21st Century Fox in the U.K. and U.S. prior to the Separation. The News International Pension and Life Assurance Plan for Senior Executives (the "Registered Plan") provided select U.K. executives with pension benefits for services rendered. The Registered Plan was frozen to additional future benefits effective March 31, 2011 and benefits were determined based on two formulas that were based on the period of employment. The applicable formula for Mr. Thomson was an annual benefit accrual of 1/45th of pensionable salary (limited to the pension salary cap where applicable) and is payable at age 60 in the form of a member annuity plus a 50% survivor

annuity. The benefit at retirement is adjusted annually in payment for inflation as measured by the change in retail price index capped at 5%. The applicable formula for Mr. Singh was an annual benefit accrual of 1/60th of pensionable salary (limited to the pension salary cap where applicable) and is payable at age 65 in the form of member annuity plus a 50% survivor annuity. The benefit at retirement is adjusted annually at a fixed rate of 5%. The Registered Plan will also provide to Mr. Singh upon retirement an additional pension benefit granted based on a transfer into the Registered Plan of pension rights he had accrued with a prior employer.

Mr. Thomson also participated in the News International Unapproved Pension and Life Assurance Plan (the "Supplementary Plan"). The Supplementary Plan is a non-registered plan that provided benefits that were not available in the Registered Plan as a result of the application of the U.K. statutory earnings cap and was also frozen to

additional future benefits effective March 31, 2011. Upon Mr. Thomson's transfer to the U.S., the Company extended to Mr. Thomson benefits through the Employer-Financed Retirement Benefits Scheme (the "EFRBS") equivalent to the benefit amounts provided by the Registered Plan and the Supplementary Plan. The EFRBS is subject to Section 409A of the Code, and the full commuted value of the EFRBS benefit is payable as a single lump sum upon separation of employment. The EFRBS was frozen as of June 30, 2013 for future service.

Upon Mr. Singh's transfer to the U.S. in 1995, Mr. Singh participated for two years in 21st Century Fox's U.S. pension plan that was the predecessor to the NC Transaction, Inc. Pension Plan. The benefit he earned under this U.S. tax-qualified pension plan was equal to 1% of monthly compensation times years of credited service, plus 0.6% of average monthly compensation in excess of average covered compensation times years of credited service. The NC Transaction, Inc. Pension Plan has been frozen to additional future benefits effective February 28, 2014.

Description of Restoration Plan

In September 2013, the Compensation Committee adopted the Restoration Plan, a nonqualified unfunded defined contribution retirement plan maintained for the benefit of certain management and other highly compensated employees of the Company, including the CEO, CFO and General Counsel. The Restoration Plan provides participants with retirement benefits which would have become payable under the Company's traditional qualified retirement plans but for limitations imposed by the Code.

Under the Restoration Plan, participants whose employer contributions under the Company's qualified retirement plans are limited by the Code are eligible to receive an amount credited to their

account equal to 5.5% of their compensation in excess of the compensation limits of the Code, subject to a compensation cap of \$5,000,000 for each of the CEO and CFO and \$2,000,000 for the General Counsel. The amounts credited to each participant's account are fully vested following attainment of two years of service with the Company. Participants in the plan have the ability to direct their assets into the same fund choices as found in the Company's qualified retirement plans. Amounts in a participant's account will be credited with gains and losses associated to the participant's fund elections. Participants will receive distributions of vested benefits upon termination of employment in accordance with the payment schedule set forth under the plan rules.

Potential Payments Upon Termination

As discussed under “—Employment Agreements” above, the employment agreements of each of Messrs. Thomson, Singh and Pitofsky provide for certain payments and benefits upon their respective separation from the Company. In addition, the KRM Letter Agreement contains certain termination provisions relating to his performance-based annual bonus and PSUs. These provisions are summarized below.

K. Rupert Murdoch

Pursuant to the terms of the KRM Letter Agreement, if the employment of Mr. K.R. Murdoch is terminated due to death or disability, he will be entitled to receive:

- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus he would have earned for the fiscal year of termination had no termination occurred, calculated based on the pre-determined target annual bonus amount and based on the number of days he was employed by the Company in the fiscal year during which his employment terminated compared to the total number of days in such fiscal year; and
- if such termination event occurs within the second or third fiscal year of any applicable performance period, the full value of any outstanding PSUs, calculated and paid at the end of the applicable performance period as if no termination occurred.

For purposes of the KRM Letter Agreement, the term “disability” means if Mr. K.R. Murdoch is unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a period of not less than 12 months.

If Mr. K.R. Murdoch’s employment is terminated for cause, he will be entitled to receive:

- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;

- a pro-rata portion of the annual bonus he would have earned for the fiscal year of termination had no termination occurred, calculated based solely on the Compensation Committee’s assessment of the Company’s financial and operational performance as compared to the Company’s annual budget, provided that any threshold criteria established by the Compensation Committee as a condition of payment of the annual bonus is satisfied; and
- if such termination event occurs within the second or third fiscal year of any applicable performance period, the pro-rata value of any outstanding PSUs, calculated at the end of the applicable performance period based on (a) the payout that he would have received if no termination had occurred multiplied by (b)(1) the number of days he was employed by the Company during the applicable performance period divided by (2) the total number of days in such performance period.

For purposes of the KRM Letter Agreement, the term “cause” means (a) a deliberate and material breach by Mr. K.R. Murdoch of his duties and responsibilities that results in material harm to the Company and its affiliates which breach is committed without reasonable belief that such breach is in, or not contrary to, the best interests of the Company, and is not remedied within 30 days after written notice specifying such breach, (b) Mr. K.R. Murdoch’s plea of guilty or *nolo contendere* to, or nonappealable conviction of, a felony, which conviction or plea causes material damage to the Company’s reputation or financial position, or (c) or Mr. K.R. Murdoch’s addiction to drugs or alcohol that results in a material breach of his duties and responsibilities and that results in material harm to the Company and its affiliates, which addiction is not remedied within 30 days after receipt of written notice specifying such breach.

If Mr. K.R. Murdoch’s employment is terminated other than for cause, including due to retirement, he will be entitled to receive:

- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;

- a pro-rata portion of the annual bonus he would have earned for the fiscal year of termination had no termination occurred, calculated based solely on the Compensation Committee's assessment of the Company's financial and operational performance as compared to the Company's annual budget, provided that any threshold criteria established by the Compensation Committee as a condition of payment of the annual bonus is satisfied; and
- if such termination event occurs within the second or third fiscal year of any applicable performance period, the full value of any outstanding PSUs, calculated and paid at the end of the applicable performance period as if no termination occurred.

For purposes of the KRM Letter Agreement, the term "retirement" means Mr. K.R. Murdoch's resignation or termination of employment after attainment of age 60 with ten years of service so long as he is not then employed by another company.

With respect to any outstanding PSUs, in the event of any type of termination that occurs on or prior to the last day of the first fiscal year of any applicable performance period, the entire award will be forfeited.

Robert J. Thomson

Pursuant to the Thomson Agreement, during any period that Mr. Thomson fails to perform his duties as a result of incapacity and disability due to physical or mental illness, or by reason of his death, Mr. Thomson is entitled to (or the Company will pay directly to his surviving spouse or other designee or the legal representative of his estate):

- any annual bonus payable but not yet paid with respect to any fiscal year ended prior to the date of termination;
- a pro-rata portion of the annual bonus he would have earned for the fiscal year of termination had no termination occurred, calculated based on the pre-determined target annual bonus amount and based on the number of days he was employed by

the Company in the fiscal year during which his employment terminated compared to the total number of days in such fiscal year; and

- vesting and payment of his outstanding PSUs as set forth in the applicable equity award agreements, which provide that if Mr. Thomson's employment is terminated in the event of death or in connection with a qualifying disability and such termination occurs beyond the last day of the first fiscal year of the applicable performance period (i) he will receive, in the event of a qualifying disability, the cash value of shares of the Company's Class A Common Stock on the applicable vesting date after the end of the relevant performance period, based on actual performance, and (ii) his estate will receive, in the event of death, the cash value of the shares of the Company's Class A Common Stock as soon as practicable, based on the projected performance of the Company, as determined by the Company, for all awards with less than one year remaining in the performance period, and based on target level performance otherwise.

If Mr. Thomson's employment is terminated by the Company for cause, Mr. Thomson will be entitled to receive, subject to his execution of a general release and waiver, which may require compliance with certain restrictive covenants:

- his base salary and annual bonus for two years after the date of termination, with the annual bonus determined in accordance with his agreement;

During any period that Mr. Pitofsky fails to perform his duties as a result of incapacity and disability due to physical or mental illness, Mr. Pitofsky is entitled to:

PROPOSAL NO. 4

STOCKHOLDER PROPOSAL

The Nathan Cummings Foundation ("Nathan Cummings"), 475 Tenth Avenue, 14th Floor, New York, NY 10018, which is the beneficial owner of over \$2,000 worth of Class B Common Stock as of the date of submission, has given notice that it intends to present for action at the Annual Meeting the resolution set forth below. H.E.S.T. Australia Ltd, as trustee for Health Employees Superannuation Trust

Australia, P.O. Box 615, Carlton South VIC 3053, the beneficial owner of over \$2,000 worth of Class B Common Stock as of the date of submission, joins Nathan Cummings as a co-filer of this proposal. In accordance with SEC rules, we are reprinting the proposal and supporting statement, for which the Company accepts no responsibility, in this proxy statement as they were submitted to us.

RESOLVED, that stockholders of News Corporation ("News Corp." or the "Company") request that the Board of Directors take the necessary steps (excluding those steps that must be taken by the Company's stockholders) to adopt a recapitalization plan that would eliminate News Corp.'s dual-class capital structure and provide that each outstanding share of common stock has one vote.

Supporting Statement

News Corp. had 580,420,854 shares of common stock outstanding as of January 29, 2016, according to the Company's Form 10-Q filed on February 5, 2016. Holders of the 380,790,614 outstanding shares of Class A common stock, nearly 66% of the Company's equity base, have no voting rights. Holders of Class B common stock, of which 199,630,240 shares were outstanding, have one vote per share.

According to a February SEC filing, News Corp. executive chairman K. Rupert Murdoch may be deemed to beneficially own 39.4% of the Class B shares and less than 1% of Class A shares. Thus, despite owning only about 14% of outstanding shares, Mr. Murdoch controls nearly 40% of the voting power, allowing him outsized influence on the outcome of shareholder votes.

Dual-class structures can distort incentives and increase agency costs by misaligning economic incentives and voting power. High-profile scandals at companies like Hollinger and Adelphia illustrate the dangers of dual-class structures in facilitating the extraction of private benefits for management. Governance expert Charles Elson has stated that dual-class structures create "a culture with no accountability." (Geoff Colvin, "The Trembling at News Corp. Has Only Begun," CNNMoney, July 19, 2011)

Dual-class structures are associated with poorer company performance. A 2008 study by Harvard's Paul Gompers and two co-authors found that dual-class structures with disparate voting rights were correlated with lower firm value. (Paul Gompers et al., "Extreme Governance" (working paper 2008) (available at http://papers.ssrn.com/sol3/papers.cfm?abstract_id=562511))

In a proxy statement filed in 2013, News Corp. identified certain negative consequences associated with the existing dual-class capital structure, including the possibility that significant voting stockholders could pursue their own interests to the detriment of other stockholders. Indeed, we believe that the Murdoch family's effective control over News Corp. has resulted in decisions that are not in public stockholders' best interests.

A derivative suit filed after the phone hacking scandal and settled in 2013 for \$139,000,000 alleged that the Board failed in its oversight duties on a number of fronts. Among other things, the plaintiffs alleged that, "The Board has a long track record of pursuing transactions that clearly help the controlling family, while providing questionable benefits or objective injury to the public shareholders." While the suit targeted News Corporation prior to its split into two distinct, publicly traded companies, many of the current News Corp. directors served during some or all of the period covered by the suit.

Accordingly, we believe that eliminating the dual-class structure, and installing a one-share/one-vote arrangement, would benefit News Corporation and its public stockholders.

The Board's Statement Recommending a Vote AGAINST Proposal No. 4

The Board has carefully reviewed the capital structure of the Company, including with the input of unaffiliated Class A and Class B stockholders and advice from outside legal and financial advisors. The Board has concluded that, at this time, the current capital structure continues to be appropriate for the Company and, therefore, Proposal No. 4 is not in the best interests of the Company and its stockholders.

The dual-class capital structure enables the Company's long-term business strategy and facilitates the creation of value for all stockholders.

The Board believes the dual-class capital structure allows the Board and management to focus on long-term objectives and pursue strategies to enhance the Company's creation of sustainable value for all stockholders. The Board believes this structure is especially important to provide stability in light of the Company's unique circumstances as a young public company in the midst of transformation.

The Board sets the strategic vision for the Company, and recognizes the value of enabling a long-term time horizon and commitment to a multi-year strategy. The dual-class structure helps insulate the Company from business cycles and short-term market pressures at the expense of long-range planning. The Board believes that our current dual-class capital structure considerably contributes to the Company's stability and reduces pressure on the Board and management to deliver short-term results, allowing them to focus on executing the business and maximizing long-term value for all stockholders.

The Board also believes that the interests of the Murdoch Family Trust are strongly aligned to those of all stockholders. Through their leadership, vision and management, the Company's Executive Chairman, Mr. K.R. Murdoch, and his family have been, and will continue to be, important to guiding the Company's strategy and success. Mr. K.R. Murdoch and his family have demonstrated a legacy of stewardship at the Company and its predecessor, 21st Century Fox, and, as a direct result of the dual-class capital structure, are highly incentivized to create long-term value for the Company.

The Board has significantly expanded our stockholder engagement with unaffiliated Class A and Class B stockholders on our dual-class capital structure and other corporate governance matters.

This year, the independent Directors identified stockholder outreach as an area of priority and directed the expansion of the Company's engagement program with unaffiliated Class A and Class B stockholders to include a specific focus on corporate governance, including our capital structure. Our independent Lead Director, Peter L. Barnes, places great emphasis on serving as a conduit for stockholder feedback for our Board. To that end, this year he, other Directors and our senior management had the opportunity to engage with unaffiliated stockholders representing a significant percentage of both the Class A Common Stock and Class B Common Stock, including the proponents of this proposal. Feedback from such engagement is shared with the full Board and its relevant committees. For more information on our stockholder engagement efforts, please see "Corporate Governance Matters—Stockholder Engagement."

The Company's corporate governance practices and principles provide for effective, independent Board oversight.

The Board believes our sound corporate governance practices and principles complement the Company's capital structure and reinforce the Company's strong commitment to the creation of long-term sustainable value.

The Board is committed to ensuring the Lead Director role, which is designated by a majority of the independent Directors, is an empowered, effective balance to management. The robust responsibilities of the Lead Director, as set forth in our *Statement of Corporate Governance*, include: presiding over all executive sessions of independent Directors and Board meetings at which the Chairman is not present; serving as a liaison between the Chairman and the independent Directors; approving information sent to the Board and Board meeting agendas and schedules; calling meetings of the independent Directors; and ensuring his or her availability for consultation and direct communications, if requested by major stockholders.

PROPOSAL NO. 4: STOCKHOLDER PROPOSAL

In August 2016, our independent Lead Director, Mr. Barnes, was re-elected by the independent Directors in recognition of his strong leadership and skills, and his performance of duties beyond the prescribed responsibilities, including: enhancing our stockholder outreach on corporate governance as described above; attending meetings of the Nominating and Corporate Governance Committee, of which Mr. Barnes is not a member; regularly consulting with other independent Directors between meetings; and regularly meeting with senior management, including to report feedback from the independent Directors. Please see “Corporate Governance Matters—Board Leadership Structure” for additional details on the independent Lead Director.

The Company’s other strong corporate governance practices include:

- The annual election of all Directors
- A majority vote standard and director resignation policy in uncontested Director elections
- A majority-independent Board, with standing committees comprised solely of independent Directors
- Executive sessions of the independent Directors held at every regular Board meeting
- Annual Board and committee self-evaluations
- An active stockholder engagement program with unaffiliated Class A and Class B stockholders

The dual-class capital structure has been in place since the Company’s inception.

The Company’s current capital structure, with both Class A Common Stock and Class B Common Stock outstanding, has been in place since the Company became an independent, publicly traded company in June 2013. The Company’s predecessor, 21st Century Fox, also had a dual-class capital structure in place prior to the Separation. Accordingly, each holder of shares or CDIs representing the Company’s Class A Common Stock has had notice of this capital structure, and we believe many stockholders are attracted to their investment in the Company because of the benefits this capital structure provides to the Company.

Whether or not you plan to attend the Annual Meeting, we urge you to vote your shares or CDIs by telephone or Internet to ensure that they will be represented at the Annual Meeting if you are unable to attend and so that the Company will know as soon as possible that enough votes will be present for the Annual Meeting to be held.

Election of Directors. In an uncontested election, each Director shall be elected by a majority of the votes cast. Abstentions and broker non-votes will not be counted as a vote cast either “FOR” or “AGAINST” with respect to the Director or Directors indicated. In a contested election where the number of nominees for Director exceeds the number of Directors to be elected, each Director shall be elected by a plurality of the votes cast. The election of the 11 Director nominees at the Annual Meeting will be an uncontested election.

Advisory Vote to Approve Executive Compensation. We will consider this proposal to be approved, on an advisory basis, if a majority of the votes cast at the Annual Meeting is voted “FOR” the proposal. What is a broker non-vote?

A “broker non-vote” occurs when you do not give instructions to your broker, bank or nominee of shares you beneficially own in “street name” on how to vote your shares of Class B Common Stock or CDIs. In these circumstances, if you do not provide voting instructions, the broker, bank or nominee may nevertheless vote your shares on your behalf with respect to the ratification of the selection of E&Y as the Company’s independent registered public accounting firm, but cannot vote your shares on any other matters being considered at the Annual Meeting.
