### **IFF Achieves CDP “A” List Rating for Second Year**

NEW YORK, NEW YORK (October 25, 2016) – International Flavors & Fragrances Inc. (NYSE:IFF) (Euronext Paris:IFF), a leading innovator of sensory experiences that move the world, today announced that it was identified as a global leader for its actions and strategies regarding climate change and awarded a leadership position on the Climate “A” list by the CDP for the second consecutive year. The Climate “A” List was released in CDP’s [Out of the Starting Blocks: Tracking Progress on Corporate Climate Action](#) report today.

“As stewards of tomorrow, we embrace our responsibility to lead positive transformational changes toward a regenerative, healthy and abundant world,” said Andreas Fibig, Chairman and CEO. “This honor confirms the positive and effective approaches we are taking to move toward a low carbon economy and create a better future for our children.

For the past 15 years, the CDP, an international not-for-profit, has worked to drive sustainable economies. IFF is among 9% of corporations participating in CDP’s climate change program to be awarded a position on the Climate “A” List in recognition of its actions in the past reporting year.

IFF’s recent sustainability accomplishments include:

- [Launching the industry’s first, on-site Wind Turbine running on 100 percent renewable energy](#)
- [The election of IFF’s CEO to the Executive Committee of the World Business Council for Sustainable Development \(WBCSD\)](#)
- [Partnering to Improve the Lives of Vetiver Farming Communities in Haiti](#)
- [Launching a New Sustainability Strategy](#)
- [Being recognized as a 2016 top green company in the U.S. by Newsweek](#)
- [Debuting the First-Ever Cradle to Cradle Certified™ Fragrance: PuraVita™](#)
- [Installed the industry’s largest solar array](#)

CDP’s chief executive officer Paul Simpson says: “We congratulate the 193 “A” List companies that are leading the charge towards our low carbon future. Companies are key actors in enabling the
